MEXICANS REPORT MOBING AMERICANS

BABIES IN HOSPITAL, SICK WITH MEASLES, STOLEN BY MOTHER

Mrs. Estelle Law, of Savannah, Visits Grady and Regains Children Taken From Her by Law.

MOTHER IS ARRESTED AND PLACED IN TOWER

Big Legal Battle Now Expected Between Parents and the Georgia Children's Home Society.

A daring case of kidnaping, in which a mother stole two babies, aged 1, from the Grady hospital in broad daylight, was revealed yesterday afternoon when warrants were issued for Mrs. Estelle Law, of Savannah.

She was arrested at Kimballville farm, where she was found by County Policemen Butler, in company with the children she had abducted. She is now lodged in Fulton Tower. Her husband, Robert Law, was with her at the time of the arrest.

The kidnaping occurred last Wednesday afternoon while the radiation exercises were being held by the nurses of Grady hospital. It came as a culmination of a dramatic fight in the courts between the desperate mother and the Georgia Children's Home society, which is seeking to retain the babies.

On November 29 of last year, the children's court of Savannah, in which Mr. and Mrs. Law reside, took possession of the two children, Marion and Thomas, twins, and turned them over to the Children's Home society on grounds that the parents were unfit to care for the babies.

Recently both children developed measles. They were put in Grady hospital. Since the father and mother took them from the court action, both had been inmates of the Home for the Friendless, in this city. The mother, it was learned Saturday, had been in hiding in Atlanta for some time, seeking an opportunity to steal the children.

They were put in the children's ward of Grady. For days the mother sought a chance to invade the hospital. Dr. Summerville, upon learning of the kidnaping, notified the Children's Home society, of which Robert McCord is superintendent, and Mr. McCord began an investigation.

Upon locating the woman and the children at Kimballville farm, where she had been hiding, the police took residence in order to hide the stolen twins. McCord arrived Saturday night and issued warrants. He stated that the courts had awarded the children to his society, and that the woman had stolen them. The arrest followed.

Another court fight is predicted as a result of the arrest, as it was stated both the mother and father will repeat the battle to regain possession of the children, who are now again in charge of the home society.

DANIELS PAYS TRIBUTE TO NAVY AND ITS DEAD

Secretary Reads the Names of the Seventeen Bluejackets Killed at Vera Cruz.

Washington, April 25.—The fighting at Vera Cruz, "due to the studied insult" of Huerta, was made the subject of a brief but impressive public tribute to the navy and its dead by Joseph Daniels, secretary of the navy, tonight. Speaking before the Society of Naval Engineers at the Army and Navy club, Secretary Daniels repeated his tribute to the officers and continued: "I did not say it then, but I felt it then in my heart that fate would not decree that these men should come to be called upon to rally to their splendid duty and training and patriotism to the call of their country in crisis, but it has been even so. The studied insult of Victoriano Huerta, who calls himself the provisional president of Mexico, in refusing to salute the American flag, has made necessary the sacrifice of human life and this is the honor roll of the great dead in the fighting at Vera Cruz. The names of the seventeen bluejackets and marines killed at Vera Cruz.

THE ATLANTA SPIRIT

SAYS LOVE LETTERS WRITTEN BY CONLEY PROVE HIM GUILTY

Detective Burns Declares They Are Conclusive Evidence That He Was Author of the Murder Notes.

"I have just come into possession of evidence that is proof conclusive that the murder notes found by Mary Phagan's body emanated from the brain of Jim Conley, and, therefore, that Jim Conley slew the girl."

This evidence is in the form of a number of love letters that were written by Conley in jail to Anna Maud Carter, the negro woman, who was also a prisoner in the Tower, and who has made an affidavit that Conley confessed the murder to her.

This was the statement made by Detective William J. Burns last night to a reporter for The Constitution. Original copies of the letters referred to were furnished The Constitution, but their contents were so vile and vulgar that their publication is impossible.

Frank Asks Patience. A statement in which he makes an appeal to public fairness, and in which he also accuses Chief of Detectives Newport A. Lanford of ally, impudent falsehoods and of uttering idiotic drive was given out last night by Leo M. Frank.

"I submit to the people of Atlanta," a portion of his statement reads, "that Lanford's bluff has been called. He knows perfectly well that the charge of perversion against me was a cowardly lie. I now make this solemn declaration: I am not a pervert, nor an immoral man. These charges against me are a vicious mass of lies."

"I further state and send my message straight to the heart and conscience of every man and woman in Georgia, that I did not kill Mary Phagan; that I am absolutely innocent of her death, and that my execution will not avenge her death. I simply ask for a fair show for my life."

Confers With Assistants. Burns was interviewed by The Constitution reporter last night at the office of his Atlanta agency in the Healey building. He was busy at the time with a group of his assistants, which included Dan Lehot and Guy Biddinger.

War Slogans Will Be Heard In the Halls of Congress

GERMAN SAILORS SAVE AMERICANS

Galveston, Texas, April 25.—The Tampico situation continued so serious, according to a wireless message reaching here today, that two torpedo boats were sent yesterday to the Panico river at Tampico to get Americans.

Refugees arriving here from Tampico today said they were saved from rioting Mexicans early Wednesday morning by German sailors.

The story of the riot was told by Americans on the collier Cyclops, which anchored in quarantine here this afternoon.

The trouble started Tuesday night when the American warships at Tampico had left their positions near shore and steamed some miles out to sea during the afternoon. The refugees said they believed the warships withdrew because they had orders not to seize Tampico and believed their immediate presence might excite the Mexicans.

After dark, hands of Mexican Americans began to raise the shouting insults at Americans, who had withdrawn to the shelter of the principal hotels in Tampico, the Imperial and the Southern.

A mob, estimated at 500, began throwing stones at the American men, who had a few rifles and pistols, for resistance. The Americans, however, had no ammunition that they did not dare open fire, fearing the Mexicans would kill them after their ammunition was exhausted.

The mob, assembled, began pounding on the doors with clubs and fists. One Mexican fired through a window. The American men, who had a few rifles and pistols, for resistance.

The German sailors then took the men from the Southern and from the Imperial and boarded the ships in the harbor. The men marched out. Some gave their coats to Mexican people, and some of the men, the refugees said, were torn from the porters hands by other Mexican men, who were armed and tumultuous. There was some damage done. The men were taken to the quarters for the men in the Tampico station.

Members of Both Houses Express Dissatisfaction With the Delay in Regard to Mexico.

Washington, April 25.—Though the Mexican crisis has been under suppression in congress for several days while the president and his cabinet expected plans of reprisals against the defiance of General Huerta, there is an impelling undercurrent of feeling in both senate and house for a declaration of war, which was tempered somewhat tonight by the acceptance of offers of mediation from Argentina, Brazil and Chile.

Leaders in congress for several days had been discussing informally the necessity for an unequivocal declaration of war, for a sweeping campaign in Mexico and for the ultimate establishment by force of American arms of peace and constitutional government in Mexico.

Storm to Break Monday. No swell from the undercurrent reached the surface today; however, but congressmen in both houses had predicted a storm would break Monday or soon after American troops reached Vera Cruz to support the naval forces there.

Members who were more restive over the situation believed to-night, after learning of the inter-mediation proposals, that no further aggressive action toward Mexico should be forced until it should become apparent that the good offices of South American nations to compose the situation would fail.

Although there was evidence in the senate of the feeling of dissatisfaction with present conditions, the most remarkable evidence of unrest was given in the house. During a day devoted under the surface to a discussion of Mexico, most of the leaders were in conference, and sentiment developed was strongly in favor of war.

In the conference more than a dozen of the most prominent men on the democratic side participated. Speaker Clark, Majority Leader Theodore Roosevelt, Chairman Flood, of the foreign relations committee, Chairman Fitzgerald of the appropriations committee, and Chairman Ray, of the military committee, figured in all of them.

The discussion was so outspoken that there was talk for a time of the appointment of a committee, to consist of Speaker Clark and Mr. Underwood, which should call upon President Wilson for his views.

Wilson Is Not Sanguine About Mediation But He Is Willing to Give Mexicans a Chance To Remain on the Earth as a Nation

Washington, April 25.—Pan-American diplomacy tonight made its first attempt to solve the Mexican crisis by peaceful negotiation.

The United States government accepted from Argentina, Brazil and Chile a formal offer to act as intermediaries in the present situation, but reservedly pointed out that an act of aggression by the military forces or hostile demonstrations toward Americans might upset hopes of immediate peace.

Coincidentally with the acceptance of the mediation offer, administration officials announced there would be no cessation of preparations by the army and navy for future emergencies and no orders would be issued to the naval forces at Vera Cruz or the ships at sea changing original plans. No further steps, however, to secure reparation for the indignities which gave rise to the present situation will be attempted while the effort is being made to bring about a settlement through diplomacy.

PLAN ELIMINATION OF GEN. HUERTA.

Although the offer made by the three South American countries did not reveal their plans, it was learned that they contemplate a broad settlement of the Mexican problem through the elimination of Huerta, upon which the United States has insisted from the beginning.

Notification of the offer of intermediation was sent not only to the diplomatic representatives of Argentina, Brazil and Chile in Mexico City, but to General Carranza and the constitutionalists in northern Mexico.

President Wilson summoned Senators Stone, Shively and Lodge of the senate foreign relations committee and Chairman Flood and Representative Cooper of the house committee on foreign affairs to discuss the new turn in events, the first ray of hope after a day of worry and anxiety over the scores of Americans held up in their flight from the Mexican capital.

The three countries made their offer through Secretary Bryan, who laid it before the president and also transmitted the latter's reply.

Seven Americans Doomed By Mexic General Maas; Their Execution Ordered

New Orleans, April 25.—Wireless advices tonight from Vera Cruz state that General Maas, of the Mexican forces, has found seven American prisoners guilty of certain charges, and that he proposes to execute them.

Consul Canada, at Vera Cruz, the wireless says, has notified the state department at Washington of the reported intention of General Maas to execute certain American prisoners.

It was further stated that General Maas has about thirty-three prisoners, including fourteen women and seven or eight children. The consul sent a messenger to General Maas, appealing to him in the name of humanity to release the women and children.

The nature of the charges brought against the seven Americans was not indicated by wireless or whether they were given a trial.

AMERICANS SLAIN IN MEXICO CITY.

Vera Cruz, April 25.—El Dictamen, a Vera Cruz newspaper, today says four Americans have been killed by mobs in Mexico City. It declares it has received this information from the federal capital.

Three of the American victims were taken out of street cars and killed on the streets, while the fourth was killed in the Young Men's Christian Association building by members of the baseball team to which he belonged, according to El Dictamen, which made its reappearance today.

The information as to the massacre of Americans is not confirmed from any other source and is considered doubtful in many quarters.

SPECIAL TRAIN WITH REFUGEES.

A special train carrying refugees from the capital arrived here tonight. The refugees, who left Mexico City at 3 o'clock yesterday afternoon, report the continued destruction of American property there. Up to the

TEXT OF OFFER BY THREE COUNTRIES.

The text of the offer made by the three countries was:

"Mr. Secretary of State: With the purpose of subserving the interest of peace and civilization in our continent, and with the earnest desire to prevent any further bloodshed to the prejudice of the cordiality and union which have always surrounded the relations of the governments and the people of America, we, the plenipotentiaries of Brazil, Argentina and Chile, duly authorized hereto, have the honor to tender to your excellency's government our good offices for the peaceful and friendly settlement of the conflict between the United States and Mexico."

"This offer puts in due form the suggestions which we have had occasion to offer heretofore on this subject."

PRESENT MEMORIAL TO SUPREME COURT

Atlanta Bar Will Pay Honor to
Late Judge Hopkins
Monday.

The memorial of the Atlanta Bar association to the late Judge John L. Hopkins will be presented to the supreme court at noon on Monday. The memorial will be read by Alex C. King, who was appointed by the bar as the chairman of the committee, and the reply will be made by Justice Henry Lumpkin. A large number of members of the bar will be present as a tribute to the memory of one of Atlanta's ablest lawyers.

FARMERS BREEDING VARIETY OF COTTON TO RESIST WEEVIL

As an evidence of the tremendous interest which has been aroused throughout the state in the fight on the boll weevil, there are now engaged in breeding a resistant variety of cotton, between five and six hundred Georgia farmers. According to Dr. Worsham, who has returned from south Georgia, they are experimenting with over one hundred varieties in an effort to secure a breed which will resist the boll weevil. The weevil is resistant to anthracnose and black root. An association of cotton breeders has been organized over forty clubs for cotton breeding purposes. In south Georgia, the U. S. work is being carried on in the heart of the cotton belt. The Georgia Seed Growers Association of Georgia, which organization is lending its every effort to improve the cotton seed.

MAN OF 60 COMMITS SUICIDE; BLOWS OFF HEAD WITH SHOTGUN

After feeding the chickens Saturday afternoon at 5 o'clock, on his large farm at Clarkston, Ga., A. A. Harris, a wealthy farmer of that place, came into the house and blew off his head with a shotgun.

According to the facts brought out at the coroner's inquest later in the evening, Mr. Harris placed the muzzle of the gun in his mouth and, by means of a small stick, succeeded in pulling the trigger. No reason for Mr. Harris' deed is known, as he was a good husband and had not been known to be depressed.

Mr. Harris was 59 years old, and is survived by his wife and one daughter, who is Mrs. Spivey, of Alexander, Va. The body was brought to Harry O. Poole's chapel, and the funeral arrangements will be in charge of that place. His wife is prostrated at the tragedy and can attach no cause for her husband's act.

LOVE LETTER FAILS TO GIVE A REASON FOR GIRL'S SUICIDE

The "mysterious" love letter that pretty Miss Helene Eberhardt received Friday afternoon, and the contents of which were believed to have caused her to swallow carbolic acid Friday night at the Winmill steam bath parlor, her death resulting, was found Saturday to throw no light upon the suicide. It is not now believed to have played any part in her suicide. Why the pretty young girl chose to end her young life is still as great a mystery as ever. At the coroner's inquest, held Saturday morning, a verdict of suicide was returned.

ROBBER INVADES STORES THEN BEATS A RETREAT

A negro highwayman entered the grocery store of H. Webster, at No. 173 East Main street, last night about 9 o'clock, and ordered him to open his cash register. Webster rushed to the rear of his store to get his pistol, pulling the hold bandit that he would shoot his brains out. The negro drew a revolver and shot once at Webster, missing his mark, and fled. He is described as being tall and dark, with a black slouch hat, and wearing overalls.

ATLANTA ODD FELLOWS CELEBRATE ANNIVERSARY

The Atlanta Odd Fellows will celebrate their ninety-fifth anniversary today and this will doubtless be the largest assemblage of members of any order ever held in the city.

At 3 o'clock sharp, a military formation of the different lodges will assemble at the corner of Broad and Alabama streets. The procession of Odd Fellows will march down Alabama to Whitehall and then out Whitehall to Hunter. From there they will march to the Central Presbyterian church, where Rev. Dunbar Ogden will deliver the sermon of the occasion.

PRESIDENT OF TEACHERS TO ATTEND GRAND OPERA

J. C. Wardlaw, professor of psychology and pedagogy at the State Normal school, Athens, who was recently elected president of the Georgia Education association, arrived in Atlanta Saturday. He will remain in Atlanta for grand opera Monday night. Professor Wardlaw will this summer conduct a trip abroad, leaving Boston June 15, some prominent Georgians will be in his party.

Pitiable and Shameful Conditions at Grady Hospital Are Illustrated by Inadequate Provisions for Nurses

Baptists Are Making Plans For Evangelistic Campaign Which Will Open on May 17

Wholly inadequate provision is made for nurses, the working girls, at Grady hospital, but under present conditions it is impossible to do any better. The situation is well illustrated in the comparison of the dormitories for nurses at Grady and at the municipal hospital of Louisville. In the Louisville hospital the nurses are given quarters in an attractive, modern four-story building, well equipped and up-to-date.

Sleep in Linen Closets.
The Grady hospital nurses, or all of them who can be crowded into it, are housed in an antiquated one-story building with worsted floors and excellent sanitary arrangements. Here the nurses are sleeping four in a room with just sufficient space for their coats and trunks, and scarcely room left them, which to turn around. Two of them are sleeping in linen closets, and they almost have to get out in the hall to dress.

A young woman from middle Georgia recently came to Grady to serve as a nurse. She spent one night in the dormitory, and the next day packed her trunk and departed, saying:

Father's Barn is Better.
"My father's barn is better than that I am going back home." Other Grady nurses are housed in one of the large rooms of the old building, with their coats so close together that each of them has little more room than if they had to occupy a linen closet.

Grady now has forty-five nurses and needs ninety, but if they were secured there would be no place to put them. Considering the work they have to do the Grady force is wholly inadequate. Grady is purely an emergency hospital, practically all of its patients are in bed all the time and need constant attention, day and night. Although economizing in every conceivable way, it is impossible with the present force to give the more than 200 patients all the attention they should have.

These nurses work for three years and receive only \$9 a month each, from which they are compelled to pay for their uniforms, their text-books and their street clothing. The city is, therefore, under obligation to take proper care of them, not only to supply them with good food, but to give them convenient and comfortable quarters. Instead of that, the nurses are sleeping anywhere and everywhere around the buildings where it is impossible for them to get proper rest and to have the necessary conveniences that are required for the best work.

GEORGIA TOWNS PLAN FOR MEMORIAL DAY

Covington, Ga., April 25.—(Special.) Memorial day exercises will take place at the Methodist church, this year, instead of the courthouse as heretofore, on Monday afternoon at 5 o'clock. The speakers have been selected from boys of the high school and include Elmer Lansford, Clifton Cash and Charles White.

In the procession will be members of the Memorial association, United Daughters of the Confederacy, school children, boy scouts, campfire girls, automobiles with the Georgia Veterans, the older ladies of the city and the mounted horsemen.

Hon. T. J. Speer, of Newborn, will act as master of ceremonies, and Will Russell, marshal.

1 KILLED, 1 INJURED WHEN DERRICK FALLS

Carl Blackwelder Loses Life in Accident on Oostanaula River.

Rome, Ga., April 25.—(Special.) Carl Blackwelder was killed and Ralph Moon seriously injured this afternoon when a derrick on the bank of the Oostanaula river collapsed.

Both were well-known young men in the employ of Brewer & Jones, and contractors of Birmingham. Blackwelder was caught in the collapse of the structure. Moon was thrown into the river and escaped death. Rotten timbers were said to be the cause of the trouble.

Athens go to different points in the state to make memorial addresses Monday.

At Dalton.
Dalton, Ga., April 25.—(Special.) Memorial exercises were observed in Dalton today. The address was delivered by Judge Augustus Daley, of Macon. The Dixie chapter, Daughters of the Confederacy, served their usual dinner to the veterans and the R. T. Davis camp held their memorial exercises in the forenoon. War scenes were shown at the moving picture centers, and furnished a great deal of pleasure for the old soldiers. After the exercises the chapel they were conducted at the cemetery, where the graves were decorated with flowers.

A banquet will be held at 6:30 o'clock, and a night session at 8:30 o'clock.

The principal addresses will be delivered by Stuart W. Cramer, president of the American Cotton Manufacturers' association, on the "Duke Warehouse Plans," and James H. Emery, of Washington, D. C., on "Labor and Business."

Frederick B. Gordon, president of the Columbia Manufacturing company, is the president of the Georgia association, and Harry L. Williams, president Swift Manufacturing company, Columbia, is the secretary.

Many prominent business men of the state will attend the convention.

Atlanta Plant Employees Share in a Pension Fund Set Aside by the Company

The employees of the Atlanta plant of the Virginia Bridge and Iron company, are the beneficiaries of a plan adopted this year by the directors of the company establishing a pension fund for the employees at all the plants of the company, the plan becoming effective January 1, 1914.

The company has set aside a substantial pension fund for its employees, this fund being invested in the stock of the company or other dividend-paying securities. The company has established rules of the time of service and of age under which their employees shall receive the pensions, which amount to 2 per cent of the average monthly pay received during the last ten years of service.

This is a plan which has been approved and found successful by many large corporations and is always a source of gratification to the employees. The pension plan of the Virginia Bridge and Iron company is similar to that of the United States Government, and the plan is one under which the pension is based is double that of the steel corporation.

WOMEN MAKE INCOMES BY PAWNING ARTICLES

London Police Court Case Calls
Attention to a Queer
Avocation.

London, April 25.—A police court case has called attention to the existence in London of an avocation which is not known to exist anywhere else in the world. It is that of pawner, a profession given over entirely to women who, in the poorer districts of London, undertake for a small compensation to carry the goods of their necessitous, but sensitive neighbors, to the pawnshops. Most of this work of pawning is done for women who are ashamed to be seen entering a pawnshop, but some of it is done for other women who are too busy to attend to the formality.

In certain districts these pawners are known as "runners" and they live in the midst of their work, charging from 1 to 2 cents for each journey, according to the means of their clients. In one of the busiest streets of the East End, which has a pawnshop at either end, two women ply a busy trade as pawners. One of these women is a widow, known and trusted in the work, and she has built up a big connection in the neighborhood. She uses a portable, miscellaneous articles destined for the hungry maw of the pawnshop. Monday morning is her busy day, as hundreds of ill-paid casual laborers, who in the district depend many times on their weekly maintenance, come pawning something that day. On Tuesday, when the head of the family brings home his money the pawner is called upon to receive the goods, which she carries away the previous Monday, and usually meets Monday the first journey is repeated.

NEW HIGHWAY ASSO. ORGANIZED AT THE ASHBURN MEETING

Ashburn, Ga., April 25.—(Special).—About 250 good road enthusiasts met yesterday at Ashburn in attendance upon the meeting for the promotion of the Cordele-Fitzgerald highway, which is to be a section of the proposed Savannah to Montgomery highway. D. W. Turner, president of the Cordele-Fitzgerald highway, Abba, Arp, Double Hill, Hatter and others.

The meeting went into permanent organization with the election of Mr. Turner as president, and Louis Spencer Daniel, of Cordele, as secretary. The organization declared itself under the title of the Savannah-Montgomery Highway association.

The commissioners of Crisp, Ben Hill and Turner counties have agreed to themselves to get busy at once on their sections of the proposed highway. Plans are being laid by the citizens of Turner and Ashburn to connect with a road from Ashburn to Fitzgerald. The secretary was instructed to immediately get in touch with the commissioners of Wilcox county and urge them to improve the roads included in the proposed highway through that county.

The meeting adjourned about 1 o'clock for a banquet to the delegates at the home of the citizens of Ashburn and Mr. Shilinger acted as hosts for Ashburn.

It was proposed that the Cordele-Fitzgerald highway, extending over about 100 miles, will be completed within six months. Several meetings will be held later to keep the movement alive and push it to culmination.

SITTING IN A CHAIR, VETERAN DROPS DEAD

Lovely, Ga., April 25.—(Special).—B. P. Atkins, an old Confederate soldier, died suddenly at his home in Summerville, removing another of the few remaining old soldiers in the county. Mr. Atkins, who had been ill for a few days, was sitting in a chair when he was stricken. He fell over and was dead before he could be reached.

Mr. Atkins was 75 years of age. He served in the war in the early sixties as Colonel Briggs' comrade. He was a fourth Georgia volunteer, in General Wadford's brigade and General Long's staff corps.

Funeral services were conducted at the Baptist church by Rev. H. H. Connelley, of Summerville, and were held in the Johnson cemetery, near Summerville. Surviving relatives include sons and daughters—W. T. Atkins, of Summerville; A. H. Palmer, of Atlanta; John White and Mrs. Nancy Keith, of this county.

PECAN GROWERS' ASSO. TO MEET MAY 27-28

Thomasville, Ga., April 25.—(Special).—Pecan growers in this section of the state and in Florida are looking forward to the meeting of the Georgia-Florida Pecan Growers' association in Thomasville on May 27 and 28, and which promises to be the most interesting and best attended in the history of the association.

Many subjects of great interest will come up for discussion and will be handled by those of long experience in the pecan business. The subject of greatest interest to the growers perhaps will be the market and marketing of pecans and it will be handled by Colonel C. A. Vandusen, J. P. Gill, Frank H. Lewis and others. Pecan roasting, which is a perplexing subject to the growers, will be taken up by H. C. White, H. K. Miller and W. W. Carroll, together with S. M. McArthur, special agent of the United States department.

The executive committee of the National Nut Growers' association will be in attendance upon the meeting and will make arrangements for the committee of that association. Between 25 and 30 other prominent growers who will be in attendance are: M. Young and C. H. Young, of Georgia; F. H. Lewis and Theo. Bechtel of Mississippi and several others.

GILBERT RESIGNS AS TRADE BOARD HEAD

Columbus, Ga., April 25.—(Special).—At a meeting of the directors of the board of trade tonight, Judge H. Price Gilbert tendered his resignation as president of the board of trade, effective as soon as his successor can be chosen.

This step was due to the fact that duties on the bench call the judge away from home a great deal, together with the fact that recent business connections call for much of his time when not engaged in judicial work.

Revival at Dawson.

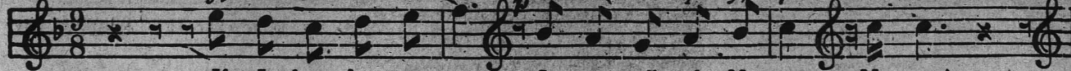

Dawson, Ga., April 25.—(Special).—The revival meetings which are being conducted at the Methodist church here and which began on Wednesday evening of last week have been growing in interest and attendance, and will be continued through the week. Rev. E. F. Morgan, pastor of the church, is being assisted by P. D. Ellis, presiding elder of the district, and Rev. J. N. Hudson, pastor of the Brownwood church.

Graduation
Lingerie

On the left is shown a simple little camisole, made of plaited net and filet lace. The skirt is trimmed with filet lace squares and deep lace ruffle.

The princess slip, which is cut on the new straight lines, is trimmed with a very deep lace flounce, slashed up the front and edged with lace and tiny rosebuds.

The figure in the center is wearing a crepe de chine petticoat, laced up the sides with a filmy underbodice of shadow lace.

Better Service
For the

Handsome Remodeled Hotel, With 150 Rooms, Thrown Open to the Public. Elegantly Furnished and Every Modern Convenience Offered to the Traveling Man and Visitors to Opera and Shriners' Convention.

Transient visitors in Atlanta have one more delightful place to spend their hours of rest while doing business here. The Princeton Hotel, on Mitchell street, has opened with 150 rooms elegantly furnished by the J. M. High company, one hundred of the rooms being directly connected with modern bathrooms.

Every room is equipped with hot and cold water, steam heat and a Bell telephone connecting with the city service. Sample room combinations are arranged for traveling men who wish to display their wares to customers. Every room has two windows with steel frames and wired glass as a protection against fire. Fire escapes lead to the ground from every floor. The men presenting this hostelry to the traveling public are H. R. Cannon, proprietor, and C. R. Cannon, his brother, who is in detailed charge as manager, although J. R. Cannon gives most of his personal attention to the comfort of the guests.

Best Service for Public.

"Two of us are not too many," says Mr. Cannon. "The traveling public deserves the best of service and they are going to get it here. Most of our guests remain only two or three nights, many of them only one night at a time, but they return often. When they come to us they generally are tired from a day's hard work tramping about the city or in wearing argumentation with merchants to whom they wish to sell goods. A clean, cool, quiet room with an abundance of sparkling water, hot and cold; fluffy, crisp towels and a soft bed give these gentlemen a new grip on themselves and they do business with a vim and vigor the next day."

Every bed in the house is fitted with mattresses and springs that soothe a man to sleep "ere he is aware," and the furniture, oak in some rooms and mahogany in others, according to the scheme of decoration, is of an elegance and sturdiness seldom encountered in smaller hotels of the country.

Rooms Cozy and Comfortable. There is an electric fan in every room and two windows, some of the corner rooms being exposed on two sides with four large windows. Rooms on the first floor have dark red carpets, white beds and mahogany furniture. The large, wide corridor is carpeted with green, and the effect is artistic and restful. On the second floor the hall carpet is green, the rooms are carpeted with autumn brown, the beds are of bronze and the furniture is mission oak. This floor is a delight to the eye and the peaceful atmosphere of nature-colored forests in fall surrounds the visitor. Bright vivacity is suggested by the scheme of decoration on the sun-lighted third floor. The corridor is covered with a dark red hall carpet, the rooms are carpeted with soft green, the beds are white and the furniture is mahogany.

Many of the New Princeton rooms are fitted with shower baths, which have of late become very popular with traveling men.

One of the most attractive features of the Princeton will be the new parking court, with a fountain in the center. The contractors have removed all the debris of building from the extraordinarily large yard, and landscape gardeners are preparing it for grass and flowers, which verdant decorations will radiate from a flowing fountain in the center. The design for this fountain has been accepted from the architects and it is being cast for immediate setting in the Princeton yard.

An out-of-door feature will be unique in Atlanta and promises to add great popularity to this enterprising hostelry. On hot nights the flowing stream of cold water from a beautiful fountain set amidst grass and flowers will be cool and pleasant to worn and weary traveling men.

This out-of-door feature will be unique in Atlanta and promises to add great popularity to this enterprising hostelry. On hot nights the flowing stream of cold water from a beautiful fountain set amidst grass and flowers will be cool and pleasant to worn and weary traveling men.

The handsome leather chairs in the lobby, veritable smiling invitations to rest and enjoy a visit to Atlanta, were made here by the Capital City Chair company. They were sold through the J. M. High company, as were the magnificent bedroom suites, manufactured by the Burnett-Klapper Furniture company.

Impressive Appearance. The front of the Princeton hotel is of pressed brick, decorated with bronze trimmings, and at the entrance the main door is set back from the sidewalk several feet. Little recesses are marked off by brass rails that lend richness and dignity to the general picture and at each side of the entrance handsome ferns and palms will be kept constantly growing, green and fresh. Full plate glass windows give the entire great lobby all the light of outdoors, and from within a full view of busy Mitchell street and all its traffic from the Terminal station is afforded.

The Princeton Hotel is only half a block from the Terminal station. It is in the center of the block, and the gentlemen who have expected great sums in its equipment for the traveling public believe it will prove a great gathering place for travelers.

The handsome leather chairs in the lobby, veritable smiling invitations to rest and enjoy a visit to Atlanta, were made here by the Capital City Chair company. They were sold through the J. M. High company, as were the magnificent bedroom suites, manufactured by the Burnett-Klapper Furniture company.

Impressive Appearance. The front of the Princeton hotel is of pressed brick, decorated with bronze trimmings, and at the entrance the main door is set back from the sidewalk several feet. Little recesses are marked off by brass rails that lend richness and dignity to the general picture and at each side of the entrance handsome ferns and palms will be kept constantly growing, green and fresh. Full plate glass windows give the entire great lobby all the light of outdoors, and from within a full view of busy Mitchell street and all its traffic from the Terminal station is afforded.

The Princeton Hotel is only half a block from the Terminal station. It is in the center of the block, and the gentlemen who have expected great sums in its equipment for the traveling public believe it will prove a great gathering place for travelers.

Every bed in the house is fitted with mattresses and springs that soothe a man to sleep "ere he is aware," and the furniture, oak in some rooms and mahogany in others, according to the scheme of decoration, is of an elegance and sturdiness seldom encountered in smaller hotels of the country.

Rooms Cozy and Comfortable. There is an electric fan in every room and two windows, some of the corner rooms being exposed on two sides with four large windows. Rooms on the first floor have dark red carpets, white beds and mahogany furniture. The large, wide corridor is carpeted with green, and the effect is artistic and restful. On the second floor the hall carpet is green, the rooms are carpeted with autumn brown, the beds are of bronze and the furniture is mission oak. This floor is a delight to the eye and the peaceful atmosphere of nature-colored forests in fall surrounds the visitor. Bright vivacity is suggested by the scheme of decoration on the sun-lighted third floor. The corridor is covered with a dark red hall carpet, the rooms are carpeted with soft green, the beds are white and the furniture is mahogany.

Many of the New Princeton rooms are fitted with shower baths, which have of late become very popular with traveling men.

One of the most attractive features of the Princeton will be the new parking court, with a fountain in the center. The contractors have removed all the debris of building from the extraordinarily large yard, and landscape gardeners are preparing it for grass and flowers, which verdant decorations will radiate from a flowing fountain in the center. The design for this fountain has been accepted from the architects and it is being cast for immediate setting in the Princeton yard.

An out-of-door feature will be unique in Atlanta and promises to add great popularity to this enterprising hostelry. On hot nights the flowing stream of cold water from a beautiful fountain set amidst grass and flowers will be cool and pleasant to worn and weary traveling men.

S. A. L. TRAIN DELAYED BY BURNING TRESTLE

On account of the trestle on the Seaboard railway between Athens and Bogart being partially burned Saturday afternoon, train No. 5, from Washington, D. C., due at 10 o'clock Saturday afternoon, did not arrive until 1 o'clock this morning, and was delayed until 8 o'clock last night, was delayed until this morning.

The fire started from unknown cause. An investigation is being made, but the railroad officials think the affair accidental. The condition of the trestle was discovered before No. 5 reached Athens and the trains were held at that city until temporary repairs were made.

AMERICAN RAILWAY MEN ORDERED TO RESIGN
New York, April 25.—At the office of the National Railway of Mexico the report from Mexico City that President Huerta had asked all Americans in the employ of the railway company, with the exception of President E. N. Brown, to resign, was confirmed. Mr. Brown is in this city, but it is not known whether he will accede to the request of the Mexican government to continue in charge of the railway.

The local offices of the road will continue to operate the property as best they can from the day shipped to the cable station had no direct word from any operating offices of the company in any part of Mexico for the last three days.

UNITED STATES TROOPS TO VERA CRUZ FOR DUTY
Washington, April 25.—Secretary Garrison said today that the United States troops who have been ordered to Vera Cruz were going there for the military movement. He would make no further explanation of the departure of the Fifth army division from Olvera.

The war department announced later that as many of the troops of the Fifth field artillery as can be taken to Vera Cruz will be taken to the port of the military movement. He would make no further explanation of the departure of the Fifth army division from Olvera.

TRAINLOAD OF BEEF FOR AMERICAN TROOPS
Chicago, April 25.—Upon orders from the commissary department of the United States army, a Chicago packing company yesterday shipped a trainload of fresh beef and other supplies to Olvera for transportation to the American troops in Mexico.

J. M. HIGH FURNISHES NEW PRINCETON HOTEL
In competition with a number of active seekers after the order, the J. M. High company succeeded in offering the ideas and goods that were selected for the fitting up of the New Princeton hotel. The most conspicuous work of this company is seen in the handsome furniture in the great lobby. The huge, comfortable chairs, upholstered in beautifully designed and colored imported leather, are examples of the excellent taste of the furnisher.

The rooms are models of utility and excellence in many ways, especially in the mahogany and mission furniture. The writing tables with small stationary desks hidden uniquely in the drawers add a metropolitan touch to the rooms. The beds were selected according to the patterns recommended by the High company and are regarded the most satisfactory beds made for hotel purposes.

Burglars Loot Bank.
Little Rock, Ark., April 25.—Burglars early today dynamited the bank at Cass, Ark., and escaped with \$1,000. The vault and fixtures were demolished. Fifteen charges of nitroglycerin, it is said, were used.

GUNBOAT YORKTOWN REACHES GUAYMAS

Washington, April 25.—The gunboat Yorktown arrived today at Guaymas from Mare Island, and her commander reported all quiet at the Mexican port. The Mexican general gunboat Guerrero had just reached Guaymas from the Atlantic. Guaymas is held by the Mexican federalists, but a strong detachment of rebels is camped nearby.

In the Social Whirl

By Isma Dooly

THE coming of Mrs. Delos Blodgett, of Grand Rapids, Mich., to Washington, D. C., has been a handsome young daughter, Miss Helen Blodgett, for the opera season will give pleasure to her many Atlanta friends. She arrives Sunday and will be one of the guests of honor at the brilliant dinner party of Mrs. Blodgett given Tuesday evening. Mrs. Blodgett was Miss Daisy Peck, of Atlanta, the youngest daughter of the late Professor William Henry Peck, who was one of the most distinguished story writers of his day.

Their home was a picturesque one which occupied the site on which the Imperial hotel now is, and was the center of a charming social life, when his daughters were the belles of Atlanta. The eldest, Bertha Peck, married Mr. George Schaeffer. Several years after his death she married Mr. Trower, of England. Subsequently he became a member of the British diplomatic corps, and is now consul at Cape Town. Another daughter was the late Mrs. Dugan, of Atlanta, and a third, Mrs. Matthews, of Charleston.

Mrs. Blodgett's home is one of the handsomest in Grand Rapids, and this winter she has been one of the most popular hostesses in Washington, having purchased the home of the late Senator Foraker.

Mrs. Blodgett will be in the city for opera week, and among the entertainments at which she will be an honor guest will be those given by Mr. and Mrs. John Little, Mr. and Mrs. Frank Ellis, Mr. and Mrs. Edward Inman. She will be among the visiting guests at the Peck reception Friday afternoon, and at the opening of the golf club Wednesday afternoon.

Mr. and Mrs. Kelly Evans, who are at the Georgian Terrace, will be among the guests at the various social functions of the week. They have had a delightful visit to England, and later to Italy, returning home ten days ago. In England they were guests at Norton house, the beautiful country home of Sir William Kirk. Later they visited Lady Avonmore, the sister of Mr. Evans, and Mrs. Lyon, another sister, who has an estate in Ireland. They will go to Toronto in early May and remain there for several months.

KNOXVILLE QUESTS.

The Knoxville party to visit Atlanta during opera week includes Colonel and Mrs. L. D. Tyson, Miss Isabel Tyson and Mr. C. C. McChesney. Mr. and Mrs. George Baxter, Mr. and Mrs. W. C. Ross, Mr. and Mrs. David Chapman, Mr. and Mrs. Hugh Sanford and Mr. and Mrs. Alfred Sanford, and Mrs. Herbert Hall. Mrs. Hall arrives Tuesday morning and will be with her aunt, Mrs. William P. Newman. She will be among the charming visitors at the dinner-dance Tuesday night, and she will be with Colonel and Mrs. Lowry in their box Wednesday night, and other guests to be Mr. and Mrs. Edward Schaeffer, of Tooeys, Ga., Mr. and Mrs. George Baxter, who will be with Colonel and Mrs. Lowry at the matinee Thursday afternoon, and at dinner with them at the Capital City club Thursday night.

Mr. and Mrs. Chapman and Mr. and Mrs. Ross will be with Colonel and Mrs. Lowry Friday night. Mr. and Mrs. Alfred Sanford and Mr. and Mrs. Hugh Sanford will be with Colonel and Mrs. Lowry Saturday night. Mr. and Mrs. Clark Howell entertain Mr. and Mrs. Ross, Mr. and Mrs. Chapman, Colonel and Mrs. Lowry, Mr. and Mrs. Alfred Sanford, Mr. and Mrs. Hugh Sanford at supper at the Capital City club after the opera Saturday night.

Colonel and Mrs. Lowry give a breakfast at the driving club Friday at 11:30 o'clock in compliment to the Knoxville party.

The Tysons arrive Sunday evening, and they will be the guests of Colonel and Mrs. Lowry at supper after the opera Monday night. Miss Isabel Tyson, one of the most beautiful young women in the south, will be the guest at the dinner-dance Tuesday evening. Miss Esther Smith, who will visit Miss Tyson later, in Knoxville.

BRIGHT EVENTS.

The breakfast at which Mr. and Mrs. Richard Gray entertain Thursday morning at 11 o'clock, at Grayston

will be a delightful affair characteristic in spirit and hospitality of all entertainments at which they preside. There will be a group of the opera stars entertained, also Mr. Otto Kahn and his party of eight. Mr. and Mrs. Richard Wilson, of Nashville, will be the guests of Mr. and Mrs. Gray for opera week, and will assist them entertain; also Mr. and Mrs. Inman Gray, Mr. and Mrs. Richard Gray, Mr. and Mrs. T. M. Brumby and Mr. and Mrs. Galloway. They will entertain after the opera each evening at the club.

The guests of Mr. and Mrs. Frank S. Ellis will be a bright party, to include Mr. and Mrs. Kenneth Murchison, of New York; Mrs. Harcourt of Virginia, and Mrs. Sprunt. They will be entertained at box parties each evening, and many entertainments are planned for them during the day. They will be at Colonel Ragan's dinner Tuesday evening and be the guests of honor at the beautiful dinner given at the club Wednesday afternoon.

Mr. and Mrs. James L. Dickey and Mr. and Mrs. Morris Randall. They will be in the city for the bright parties to assemble at the Druid Hills Golf club Wednesday afternoon, in the receiving party at Mrs. Peck's Friday afternoon, and at the dinner dance at the Capital City club Thursday evening.

MACON PARTY.

Mr. and Mrs. Emory Winship and Mr. and Mrs. Walter Lamar, of Macon, will be at the Georgian Terrace opera week. Mr. Richard Johnston gives a luncheon Friday to Mr. and Mrs. Winship and Mrs. J. Marshall Johnston. Mr. Samuel Dunlap arrived from Macon last night and is with Mr. and Mrs. Little. He will remain through Thursday.

The Winships will be in the receiving party at Mrs. Peck's Friday afternoon. Mrs. Florence Wadley Coleman will be with Mrs. William Green Russell for opera week. She arrives Tuesday morning and will be among the beauties at the dinner-dance at the Driving club Tuesday evening.

Miss Bessie Eugenia Brown gives a tea Thursday evening for Mrs. Johnston, of Macon, and Mrs. Patten and Mrs. Reid, of Chattanooga. Miss Caesar will be one of the most popular members of the Macon party, and she will be with Mr. and Mrs. Winship at the Georgian Terrace.

Mrs. Patterson, of North Carolina, who is with her parents, Judge and Mrs. William T. Newman, will be among the most entertained guests opera week. She has been the honor guest at several parties this week and she will be with a bright party at the Driving club Tuesday evening and the Capital City club Thursday evening.

Mrs. Newman was lovely Margaret Newman of Atlanta, and one of the most admired young women in southern society.

Letters announce the charming trip being enjoyed on the continent by Mrs. Belle Newman Howard and Miss Frances Newman, who are now in Italy, and will be very much missed among the opera guests.

and style of the opera will be at the "premiere." The first night, one of Atlanta's prettiest women will wear a white tulle gown. Over it is a skirt of sheerest lace and a panel overlaid with white tulle. A touch of the same blue will give finish to the corsage of lace. The wrap to be worn with it is of palest blue tulle, showing a design in Dresden flowers. It is lined with fish color and trimmed in lace.

English thread lace of exquisite pattern finishes a gown of lavender silk of French fashion. The wrap to be worn with it is threaded in gold, and trimmed in Irish point applique lace. An evening wrap draped to the figure which will be worn over a black evening gown, is of black satin lined with fish color.

Cream moire bangaline is the material of another wrap, which is draped, and will be worn with an elegant toilet of cream moire silk. A garden party gown much admired is of white tulle with a white and black stripe and printed in flowers in the shades of blue and rose.

One of the smartest of toilets designed for a matinee is of black tulle, with a short cape and a corsage of black tulle. A tulle gown in jessie yellow, and combined with lace and chiffon, will be one of the prettiest of toilets to be seen the first night. A matinee gown is of electric blue tulle, all made in the bouffant over dress fashion. In black-colored brocade character is another for an afternoon function. It is trimmed with blue velvet. Crisp and sprightly in white tulle is the gown selected by a stylish Atlanta woman for an afternoon occasion, and a black tulle for luncheon.

A beautiful gown for an afternoon reception is of orchid colored moire, brocaded in a design of Dresden flowers. The gown is of orchid shade. It has a rich drapery of white tulle over the shoulders, and with it a satin wrap of the same color will be worn.

LINE OF BLUEJACKETS EXTENDED AT VERA CRUZ

Admiral Badger Reports No Contract With Mexicans—Col- lecting the Refugees.

Washington, April 25.—Admiral Badger tonight reported from Vera Cruz that he was extending the line of bluejackets and marines further to the south. The stationing of marines from the South Carolina are well advanced and one-half mile further west of the city.

No contact has been had with the Mexican forces and none was expected in the immediate future.

One Private Wounded.

Admiral Badger's telegram, dated 5 p. m. Saturday, said:

"A night's firing desultory and continued for considerable period. No private actually wounded in forward. Casualties on our side were reported. Fletcher continuing efforts here. Bluejackets continue to be placed by people themselves. Quite certain that former officials will not return. Officers under present conditions, but possibly citizens' committee can be formed to influence the situation. Lines of law and order and create confidence among inhabitants. Meeting at this point will be held this afternoon."

"Question of food and water still very anxiety, but up to present time no actual distress. Seems probable, however, that ultimately government will have to ration poorer classes of inhabitants. Citizens house in Vera Cruz and vessels ready to discharge, but much difficulty being experienced obtaining labor."

"Extended line of bluejackets and marines about two miles further out. The stationing of bluejackets in the stationing well entrenched, about one-half mile from center of city. No contact has been made with Mexican forces and no attack expected at present."

"Admiral's marines landed this morning. Airplane made over harbor. No contact with Mexican forces. Flight this afternoon. Shipments of goods and supplies are being collected. Refugees."

"Hawaiian-American steamers reported from Vera Cruz, with 100 men Saturday for Vera Cruz, with that they are refugees. They are going to attempt Mexico and as soon as reasonably filled they are expected to proceed to New Orleans, land refugees and return."

"Jensen and Paulding now at Tuxpan collecting refugees. In that region Rear Admiral Craghead and commanding officers of British ships Hereward, Tambores and Berwick at Puerto Mexico have been ordered to collect and forward American refugees. The situation here is very difficult and of great value. Further of this situation is being handled."

"The navy department tonight received word that the vessel, the *Albatross*, at Mazatlan, on the Pacific coast of Mexico, had been captured by a mob yesterday. Other anti-American demonstrations occurred there. The auxiliary fleet, with a cargo of supplies for the army, was captured at Vera Cruz today from New York."

EX-SOLDIERS ELIGIBLE FOR ACTIVE SERVICE

New York, April 25.—Officers in receipt of army orders have tonight called the attention of former soldiers to the good work done by the army reserve act of 1912, under which they are eligible for active service if called upon by the president. This act provides that men honorably discharged with a "rating of good" can enlist in the reserve if not over 45 years of age and "able-bodied."

There is a great army of these former soldiers who can join the regular army and serve with honor and distinction for a stated term. They cannot resist with the rank in the regular army, but they can serve as privates. Married men are not barred from the reserves.

NO DESIRE FOR WHISKEY.

"I am anxious to add my testimonial to the good work done by the James Sanatorium. The doctor accomplished his work in a wonderful way. When I began the treatment, I was in a state of complete nervousness. Now I am free from all nervousness and all ailments are normal and regular. I eat three big meals a day and feel as good as vigorous as I ever did in my life. I am no longer an alcoholic, or any other thing. I am a free man. I cannot express too highly of the courteous attention and efficient treatment of your sanatorium. I commend your sanatorium and treatment to every man seeking relief from drink, drugs and nervous diseases."

You may make such use of this testimonial as you wish.

CURED OF TOBACCO HABIT.

"I took your home treatment for tobacco habit in November, 1900 in New York. I am now in perfect health. Up to the time I quit using tobacco I suffered all the time with indigestion. Since I took your treatment, my feeling has been perfect. I have not had a single feeling, and have gained weight and health."

ADMIRAL IS ORDERED TO AID ALL FOREIGNERS

Washington, April 25.—Secretary Daniels late today instructed Rear Admiral Howard to lend every effort for the protection of the American consuls and their families and all foreigners on the Pacific coast of Mexico. The last line of Admiral Howard's directions reads:

"These instructions first duty of your fleet at this time." "To make such arrangements as would be advisable to assist in the removal of the American consuls and their families to the United States. Transportation to the United States to charter a merchant craft to bring them to the United States. The warship, and his attention was called to the successful use of this method in the removal of the American consuls and their families. As soon as he has gathered refugees together, he is authorized to charter a vessel to transport them to the United States."

WILSON'S ACCEPTANCE; JUST WHAT WE NEED

No Binding Force and It Does Not Preclude Preparing for War.

Washington, April 25.—President Wilson's acceptance of the good offices of Brazil, Argentina and Chile to mediate between the United States and Mexico, the attention of international affairs on just what the procedure will be and what it corresponds to the practice of nations.

The tender of the South American envoys speaks of the office, and the reply of the United States government makes reference to an impartial mediator. The tender of the South American envoys speaks of the office, and the reply of the United States government makes reference to an impartial mediator.

John Bassett Moore, former counselor of the state department, and an authority on international law, points out a distinction between the case of South American envoys and the case of the United States and Mexico.

"The demand of good offices or the acceptance does not confer the right of intervention on the part of the United States," he said.

John Hay, former secretary of state, said: "The acceptance of the good offices of the United States is a concession to two contingencies. In the first, the United States may be able to mediate between the United States and Mexico. In the second, it is a concession to the United States to mediate between the United States and Mexico."

"The Hague provisions. The Hague convention uses the two terms good offices and mediation interchangeably. The Hague provisions follow:

"Article 2. In case of serious dispute, the parties to the dispute, before appealing to arms, the signatory powers agree to the assistance of one or more friendly powers."

"Article 3. Independently of this recourse, the signatory powers reserve the right to use force, should, on their own initiative, and as far as circumstances may allow, offer their good offices to the parties to the dispute."

"If the parties to the dispute, have the right to offer their good offices to the parties to the dispute, they are not bound to do so. They are not bound to do so. They are not bound to do so."

"The work of the three South American envoys in the present case will be purely advisory and not that of binding force. It is a concession to the United States to mediate between the United States and Mexico."

"Good offices and mediation, either at the request of the parties at variance, or on the initiative of powers, are not binding on the parties. They are not binding on the parties. They are not binding on the parties."

"Doesn't Deal Preparation. The Hague convention also provides that the acceptance of mediation can be refused by the parties to the dispute. It is a concession to the United States to mediate between the United States and Mexico."

The Easter Millinery Is Adorned With Wings, Fruits and Flowers

New York, April 25.—April signifies and Easter Sunday brings forth the styles evolved from the styles first given by the opening. The bazaar and extreme are now modeled for the use of the American woman of good taste. After service on Easter Sunday, the true styles which sweep across have just seen in on this type of gown.

The difference being that the tulle does not quite come together in the back, and is therefore more of an apron than a skirt. This is the case of the Roman skirt over an underskirt of blue tulle. The bazaar jacket, of Roman style, has narrow sleeves, and a high collar, with a large, dark collar, and a straight quill standing upright in each third.

For my first illustration this week I have chosen a simple and stylish frock for morning and house wear. The material used is a moiré velvet with a white ruffled, a fabric which is woven in a simple and stylish manner, with a knotted cord, which gives the whole a simple and stylish appearance.

Boys' Court.

(From The Ohio State Journal.)

Chicago has made another judicial experiment, and that is the "boys' court." It is a court where the spirit of boyhood is permitted to interpret the law, and to separate them from the hardened cases of crime. There is no much in a boy's life that is technically criminal, and it is really so. There is much that is innocent and yet there is much that is criminal. The boys' court is a court where the spirit of boyhood is permitted to interpret the law, and to separate them from the hardened cases of crime.

Crackers Open Home Series Monday

Badly Crippled Locals Blanked In Chattanooga

Welchance and Long Being
Out of Game, Demoralized
Entire Team—Lorenzen
Wild, But Effective.

By W. G. Foster.
Chattanooga, Tenn., April 25.—(Special.)—Southern League baseball fans were surprised to find the Atlanta Crackers, who had been in the city for a week, were still in the city. The locals were hiding their heads in shame for a quiet of a while.

The Crackers presented a crippled team for the first time in the season. The team's best slugger, Welchance, was badly hurt by a line drive from the Atlanta pitcher, Lorenzen, who was wild, but effective. The team's best pitcher, Long, was also hurt by a line drive from the Atlanta pitcher, Lorenzen, who was wild, but effective.

Lost Opportunities.
The Crackers squandered opportunities in the early innings. They had a lead of three runs in the first inning, but lost it in the second. They had a lead of three runs in the third inning, but lost it in the fourth. They had a lead of three runs in the fifth inning, but lost it in the sixth.

How Runs Came.
Lorenzen pitched well until the fourth, after which he strayed, and the Crackers could not touch him. Dent pitched a great game until the fourth, when he was wild, but effective. The Crackers scored three runs in the first inning, but lost it in the second. They scored three runs in the third inning, but lost it in the fourth. They scored three runs in the fifth inning, but lost it in the sixth.

FIVE OF HEISSMAN'S YELLOW JACKETS

Five of the ball players on whom the Tech Yellow Jackets are banking to bring home the victories in their important series with the University of Georgia, which starts shortly. From left to right, those in the photo are: Catcher Witherington, considered by many as one of the best college catchers ever developed in the south; Southpaw Bryant, the young "find" of the Jackets in the box; Wooden, of home-run fame, who is now playing short in place of Jack Donaldson, who has turned professional; Captain Pounds, one of the best hitters in college baseball and a good outfielder, and Tyler Montague, second base.

By the way, the Crackers, causing the slandering to be mightily rough at this stage of the game, were the Atlanta Crackers. The Crackers scored their first victory over the Tigers in many years. There was a good crowd out to witness the game, which was the first over held on the new track. All of the events were hard fought, which served to keep the spectators on edge throughout.

Finn's Turtles At Poncey Park For Four Games

Crackers Home From Chattanooga—Play Finns and Then Hike for Nashville for Four Games.

By Dick Jemison.
The Crackers are back home after eight strenuous games on hostile shores where they made a splendid showing and demonstrated convincingly to the opposition that they possess a ball club that must be reckoned with when the final returns are in.

Mike Finn, the leading pitcher of the Mobile Gulls last season, was scheduled to pitch for the Crackers in the first game of the series. The Crackers will play the Mobile Gulls at Poncey Park on Monday, Tuesday, Wednesday and Thursday. The Crackers will play the Mobile Gulls at Poncey Park on Monday, Tuesday, Wednesday and Thursday.

Bedell-Mowry.

The wedding of Miss Margaret Bedell and Mr. Richard Mowry, of Lawrence, Mass., was a beautiful event of last night, taking place at the home of the bride's parents, Mr. and Mrs. James Bedell, in the city of Atlanta. The handsome home was decorated with palms and ferns and a wealth of flowers. The ceremony took place at 8 o'clock in the library, where the flowers used for decorating were pink and white roses and orange blossoms. An improvised altar at one end of the room was flanked by ferns and palms and white roses.

In the dining room and breakfast room Killarney roses filled bowls and vases on mantels and cabinets. The bride's table in the dining room was a centerpiece a French basket, filled with pink roses and silver dishes held pink bonbons. An orchestra was stationed in the music room, where quantities of dogwood and wild azaleas were used with artistic effect. The bride was lovely in a gown of white silk crepe brocade and trimmed in tulle and in rose point lace which had trimmed her mother's wedding gown. She wore a diamond in valise, the gift of her grandmother. Her tulle veil was caught with natural orange blossoms, and her flowers were a shower of valley lilies. Miss Ellison Bedell, the bride's maid, wore a gown of carrying pink roses, was her sister, a maid of honor, and Miss L. Nolen, of Kentucky, her best man. The bride was given away by her father, and Rev. W. C. McCallister, of St. James' church, performed the ceremony.

A small reception to relatives and a few close friends followed the ceremony. The bride's mother wore a handsome

gown of yellow crepe with tulle of silver and iridescent beads, and her hair was a mass of boucled, diaphanous, brown hair. Mrs. H. C. Mowry, of Lawrence, Mass., wore lavender, and her hair was a mass of boucled, diaphanous, brown hair. Mrs. Robert Daniel, of Memphis, wore white satin chamois, and Miss Bedell, of Columbus, wore white. Assisting in entertaining were Mrs. Charles Satterlee, Mrs. D. M. Daniel, Mrs. R. L. Stafford and Miss Sallie McCallister.

Peace Day at Woman's Club.

Peace day, Monday, May 18, will be celebrated for the first time in Atlanta by the Atlanta Woman's club, and appropriate exercises are being arranged for the occasion, to be held at the clubhouse on Baker street. This was decided at a meeting of the club last Monday, when Miss Alice Batten, chairman of the international peace committee for the Georgia state federation, the Rev. J. J. Hall, secretary of the Georgia Peace society, and director for the south of the American Peace society, Mrs. Howard McCall, Mrs. Lott Warren and Mrs. Linton Hopkins made eloquent pleas for international peace. A special committee was appointed to make plans for the celebration of Peace day, and is composed of Mrs. H. C. Mowry, chairman, Mrs. J. B. Adams, Mrs. J. B. Adams, chairman of churches, Bishop Coker, chairman of the Y. M. C. A., and the pastor of the afternoon, and all the patriotic organizations of the city will be invited to take part in the exercises.

The meeting of the club last Monday was in charge of the industrial committee, of which Mrs. H. C. Mowry is chairman, and a most entertaining program was given. Mrs. Neely gave a brief outline of the work done by her committee this year, which among which was that in connection with the child labor law, which she had at the old Leyden house. The committee had many hundred bulletins explanatory of the exhibit printed and distributed among the friends of the city, and did various sorts of publicity work to follow the exhibit among those who most needed to know about it. Mrs. Neely also gave a paper on "The Leaky," secretary of the industrial bureau, the chairman of the child labor law, and said that in his opinion these schools would do more toward solving the problem of child labor than working girls than anything else. He stressed the fact that the average woman shopper makes things hard for the girl behind the counter, because she demands experience and is impatient with the green girl who has just stepped into the store. The last speaker of the afternoon was Mr. Charles Jenkins, of the American Red Cross society, Mr. Jenkins explained the work of the organization and told of the recently organized chapter in Atlanta. He said this chapter, home care of the sick and the injured will be taught by trained nurses.

COVINGTON, GA.

The marriage of Miss Julie Tripp and Mr. H. S. Turner, both of Covington, was a quiet but beautiful affair, taking place at the home of the bride, on Monticello street, Tuesday afternoon, April 24, 1914, at 1:30 o'clock. The ceremony was performed by the Presbyterian minister, officiating. Mr. Turner left immediately after the ceremony for a motor trip to Atlanta, where he remained a short time en route to Florida. They were accompanied as far as Atlanta by a party of friends, including Mrs. John Callaway, Mrs. George B. Smith, Mrs. Lewis, Miss Natalie Turner, Miss Lott Warren, Mrs. J. B. Adams, Mr. and Mrs. H. S. Turner, and Mr. and Mrs. H. S. Turner. Only the immediate friends were present at the marriage. The ceremony was performed at the home of the bride, Mrs. George B. Smith, on Monticello street. Miss Eleanor Butler entertained the members of her bridge club most delightfully last Tuesday afternoon at the home of her mother, Mrs. George B. Butler, on Conyers street. After the game was finished, sandwiches, salad, grape nectar, kumquats and cake were the delicious refreshments served. Only the regular members of the club and Mrs. John Callaway of Milledgeville, were present.

One of the delightful affairs of last week was that at which Miss Frances Henderson entertained the members of the Wednesday Morning club at her parents' home on May, at 10 o'clock. After spending the time very pleasantly having a very pleasant conversation, the members of the club were served. One of the regular monthly meetings of the United Daughters of the Confederacy was held at the attractive bungalow of Mrs. Evans Lunsford on Thursday afternoon, where they were delightfully entertained. The main feature of the afternoon was the arrangement for the entertainment of the confederate war orphans on Memorial day, which has become an established custom.

The ladies of the Jonesboro Women's club have arranged a very interesting program for Memorial day, which will be observed on May, at the Soldiers' cemetery near Jonesboro. Colonel George Napier, of Decatur, the orator of the day, will be introduced by Hon. Ben E. Perry, editor of The Jonesboro News. Rev. S. H. King, E. W. Jones and Mr. Napier, pastors of the Baptist, Methodist and Presbyterian churches, respectively, will participate in the exercises. The Jonesboro District High school will march in a body to the cemetery and will render several appropriate songs.

34 FIREMEN ARE OVERCOME WHILE BATTLING FIRE; SEVERAL STILL IN HOSPITAL

Fire broke out in the basement of the Black building, No. 10 to 18 Auburn avenue, at 1:30 o'clock Saturday afternoon, and great volumes of smoke belched forth from the basement windows and first floor windows continuously for seven hours, greatly hindering the work of the several fire departments in putting out the stubborn flames.

Eight firemen were dragged from the basement of the building, overcome by the smoke. Rushing these men to the Grady hospital for resuscitation kept the Grady ambulance busy throughout the afternoon.

As a result of suffocation by smoke three of the firemen are at the hospital in a critical condition. Fireman I. S. King was given a hypodermic injection to relieve his condition. Amos Rouse, of station house No. 2, was the first fireman to become overcome fighting the fire in the basement. Joseph C. Carver, headman of No. 4 house, was overcome, and also sent to the hospital in a semi-conscious condition.

Overcome by Smoke

A score of firemen were slightly overcome by the dense smoke and sent to the No. 4 engine house, around the corner, on North Pryor street, to recover.

Throughout the afternoon a large crowd stood around watching the fire fighting. Several times the crowd pressed too far over the fire line and hindered the firemen in their efforts to quench the flames.

The origin of the fire is in the basement, and after a short time the fire was under control, making it very dangerous for the firemen to continue the fire fight in the basement for fear of suffocation, which meant that a fireman would fall into the deep pool of water and probably drown.

The great volumes of dense smoke were caused by the slow burning of lumber and stored in the basement of the Bombardeur Manufacturing and Importing company, at 56 Auburn avenue. E. K. Ward, the manager, estimated that more than \$4,000 damage had been done by his stock of baskets, chairs and willow work.

A \$5,000 commitment

The fire was started in the basement of the Bombardeur Manufacturing and Importing company's store, at 54 Auburn avenue, and it is reported to have been damaged considerably by water and smoke.

Origin of Fire Unknown

The origin of the fire is unknown. It originated in the basement of the store in the Black building, and was first detected about 1:30 o'clock by J. A. Stewart, sales manager of the Oliver Typewriter company.

Fireman J. McKinley, while directing a stream of water into the basement, was badly burned by being thrown about six feet into the air when the fire hose was being hauled. McKinley struck gamely to his work.

Captain John Anderson, of engine house No. 2, was badly burned by the explosion of gasoline, stored in the basement. His trousers were burned off him.

Firemen sent to the Grady hospital for treatment in addition to the three who were overcome by the smoke, were William Reed, L. C. McFee, W. L. Gilchrist, and John Finley. W. L. Gilchrist was badly burned by the explosion of the gasoline, and was resuscitated and gamely insisted upon returning to the fire to aid in fighting the stubborn fire.

UPSHA CONSIDERS SENATE CONTEST

Well-Known Prohibitionist May Run Against Slaton, Hardwick and Cooper.

In response to a letter from citizens of Blackhawk asking him to make the race for the United States senate to fill the unexpired term of the late Senator A. O. Bacon, W. D. Upshaw, the well-known prohibition leader, and one of the Golden Age, has written a letter stating that he is considering making the race.

His letter follows:

Atlanta, April 24, 1914.

Rev. W. A. Brooks, Rev. J. P. McCreary, Rev. C. W. Talbot, Rev. J. H. Stuckel and other Pastors, Blackhawk, Ga.

Gentlemen: Your valued communication of recent date asking me to enter the race for the United States senate to fill the unexpired term of the late Senator A. O. Bacon, has been received.

I appreciate more than I can tell you the spirit in which your petition is made. To have one so honest and intelligent as you to represent Georgia in the senate is the nation's high honor, and it is a large number of the representatives of such a splendid community as Blackhawk who constitute an appeal which should be met. I am, therefore, in a position to make a statement of my position on the subject of such an appeal, but when a great truth is at stake, the call is infinitely more than a mere appeal.

I agree with you that at such a time as this, when a constitutional amendment for the national destruction of the liquor traffic is before the people, it is the duty of every citizen to make his voice heard. Georgia, the pioneer prohibition state of the South, is a rock-ribbed prohibition state, and it would seem that he ought to be one who has fought in the trenches for this righteous cause. I am, therefore, in a position to make a statement of my position on the subject of such an appeal, but when a great truth is at stake, the call is infinitely more than a mere appeal.

An issue is a matter of public concern, and it is the duty of every citizen to make his voice heard. Georgia, the pioneer prohibition state of the South, is a rock-ribbed prohibition state, and it would seem that he ought to be one who has fought in the trenches for this righteous cause. I am, therefore, in a position to make a statement of my position on the subject of such an appeal, but when a great truth is at stake, the call is infinitely more than a mere appeal.

This contest is open to every body. Any gentleman, in the state of Georgia or contiguous territory desiring to enter can do so through the name of his wife, mother, sister, cousin, lady friend, etc. The statement made repeatedly by The Constitution that this contest is open to every woman in its territory does not mean that both men and boys cannot participate in the contest through some lady relative or friend. With this proviso everybody is invited to enter this campaign.

The grand prizes. The division of districts, as shown elsewhere in this paper, so equalizes competition that every candidate has an equal chance.

6. No votes will be allowed on subscriptions held more than one week after being secured by contestants. Subscriptions must be turned in promptly, together with the money collected on them. Votes will be issued when the money is received, but the contestants may retain these votes and cast them whenever they wish within the rules.

7. No votes will be issued on subscription payments less than the amount stipulated in the voting schedule.

8. On payments other than those scheduled, votes will be issued according to the scheduled amount next below the amount so paid.

9. Ballots cannot be bought. They can be obtained only by subscribing and paying a subscription to The Constitution or by buying daily ballots from the paper.

10. To insure being counted all daily ballots must be neatly trimmed to uniform size, fastened together and sent in flat. Do not fold the ballots.

FILL OUT THE TOP

12. In sending in daily ballots it is unnecessary to fill out more than the top ballot in each package. Then write on this ballot the number of votes the package contains. Contestants who fail to comply with this rule must accept the count of the contest department of The Constitution as final. We do not acknowledge the receipt of daily ballots unless an error is discovered in your count.

Only one nomination ballot good for 5,000 votes is placed to the credit of each candidate in the published score. Daily ballots are also credited in the published score. Voting certificates are issued on subscriptions only.

13. Each publication of daily ballots will be final, except in case of typographical error or mistake of the contest department. It is impossible to save all daily ballots and they will be destroyed three days after date of issue. We do not acknowledge the receipt of daily ballots unless an error is discovered in your count.

14. By the filing of votes all contestants must accept and agree to all conditions.

15. Votes once issued to one contestant cannot be transferred to the credit of another.

16. No voting certificates can be cast for publication and the subscriptions upon which they were issued used in making up clubs then forming.

17. Votes issued in error will be declared void by the campaign department of The Constitution and thrown out if cast.

18. Neither a candidate nor a friend can enter the contest.

19. In the event of a tie, a prize identical in all respects with that tied for will be given to each of the contestants.

20. The Constitution will recognize no promise either written or verbal made by agents, solicitors or canvassers contrary to the published rules and regulations governing this contest.

21. The right is reserved to reject the names of any candidate for cause, or to alter the rules and regulations should occasion demand, except that the manner of distribution of prizes and schedule of votes is to remain unchanged.

22. Any question that may arise between the contestants will be decided by the campaign manager and his decision will be final.

23. This contest officially begins April 12 and ends at midnight June 27, 1914.

Go Out and See It and Judge for Yourself What the Future Has in Store for It

Proposition to Capital City Club, With Explanation of Same

ATLANTA, GA., March 28, 1914.

MR. E. F. MADDOX, President Capital City Club, City.

Dear Sir:—Believing that the present Country Club house and grounds are rather contracted and inadequate for a club of the dignity and standing of the Capital City, I have been trying to find a way to make the approaches to the club more convenient, and to furnish a beautiful and adequate site for the club's permanent club house, and to that end I have secured the agreements (shown by copies herewith enclosed) from Mr. S. C. Stovall and Mr. A. V. Gude, Jr., which explain themselves.

The present club house can always be used for refreshment and bath house purposes, but the club should have a handsome country club house, with large restaurant and ball room, plenty of porches and sleeping rooms above, for such of its members as would like to make their week-end or permanent home there.

The members of the Capital City Club are Atlanta's wealthiest and most influential citizens, and its membership contributes ninety-five per cent of the money for all public enterprises for Atlanta's good that are brought to a successful conclusion.

If the club had a beautiful site on which to erect its permanent club, I believe its members would quickly subscribe to a bond issue to pay for such a club, and to induce the street car company to extend its car line to said site.

Mr. Stovall has agreed to donate the lot or tract marked "B" adjoining the club property, and I am willing to donate the tract marked "C" for a club site, and I am also willing to co-operate with Mr. Stovall in grading the driveway marked "Club Drive" across the club's property and that agreed to be deeded to it, provided the club will secure an extension of the Peachtree and Brookhaven car line from its present terminus to the north line of the property agreed to be donated to the club by me.

For the consideration named, and in order for the Club to secure additional land for its new Golf Course, at a point where the new links are very much congested, I am willing to deed to the Club the tract of land marked "D" on the enclosed plat provided the Club agrees to maintain said tract for Club purposes, such as Golf Links, Park.

The Driveway marked "Club Drive" could connect the present and proposed new Club Building, both with an electric and an automobile drive. The driveways shown on the enclosed plat will furnish the most attractive driving system in the South.

As I am having permanent plats made of Oglethorpe Park, showing its Driveway system and subdivision into tracts for country estates, and the connections of its drives with existing or proposed driveways, and with adjoining properties, I ask that you have a call meeting of your Directors immediately and see if they favor, and will recommend an acceptance of the proposed system of driveways through the Club's property, and of the tracts agreed to be donated for Club purposes on the terms and conditions herein outlined.

I think it is well, in all growing communities to "look to the future." Eight years ago Ansley Park was a tangled mass of laps, limbs and underbrush; today it is one of the handsomest residence parks in America, with nearly three hundred homes, and last year, was assessed by the city at \$2,600,000.00, and paid to the city and county \$50,000.00 in taxes. It increased 11,000 per cent in eight years.

The Forsyth street section increased in property and taxable values 1,000 per cent in five years.

The street car line can be extended along Oglethorpe University road to a point where "Club Drive" can connect with it and other proposed roads about 1,000 feet from the present club house. A road is planned from this point to the Weisner road and to the Peachtree and Dunwoody road, which last named road is now being regraded and widened by the county.

As Oglethorpe Park will soon have nine or ten driveways into it, a few weeks' work will convert from sage fields, laps and limbs, into a beautiful suburban residence section.

When the Piedmont Driving club burned, a few years ago, I offered my present home site (then in the rough) and forty acres adjoining, for a Golf Course, in exchange for its present five acre site. Some of its members hooped at the proposition. Since that time, dozens of these same members have come to me and expressed their regrets. Therefore, I say let's look to the future growth of Atlanta and its suburbs, before the Club rejects an offer to acquire additional property that it will never have again, except at a large cost. Respectfully submitted, EDWIN P. ANSLEY.

ATLANTA, GA., March 26th, 1914.

Mr. Edwin P. Ansley, Atlanta, Ga.

Dear Sir:—I am willing to grace the 50-foot driveway shown on the plat of Oglethorpe Park marked "Club Drive," from Peachtree Road to the entrance to the present Capital City Country Club, provided the Brookhaven estates will donate to me the five-foot strip, or reservation lying between my property and lots marked 21, 22, 23 and 24 of their plat, and also provided that Mr. A. V. Gude, Jr., will donate a strip—fifty feet wide across the lots controlled by him for street purposes, so as to give the best possible entrance to the club for driveway and street car purposes. And in consideration of Mr. Gude's donating said strip, I agree to donate to him the sufficient of my land adjoining his to compensate him for the loan of said strip, and any damage that he may sustain by reason of the driveway going diagonally across his lots.

I am further willing to co-operate with you in grading the driveway marked "Club Drive" its entire length and deeding to the Club the lots or tracts marked on the Oglethorpe Park plat as lots "A" and "B," provided the Club will secure the extension of the Peachtree and Brookhaven car line to the Northern limit of the property that you offer to deed to them for club purposes.

Very truly,

S. C. STOVALL

ATLANTA, GA., March 28th, 1914.

Mr. Edwin P. Ansley, Atlanta, Ga.

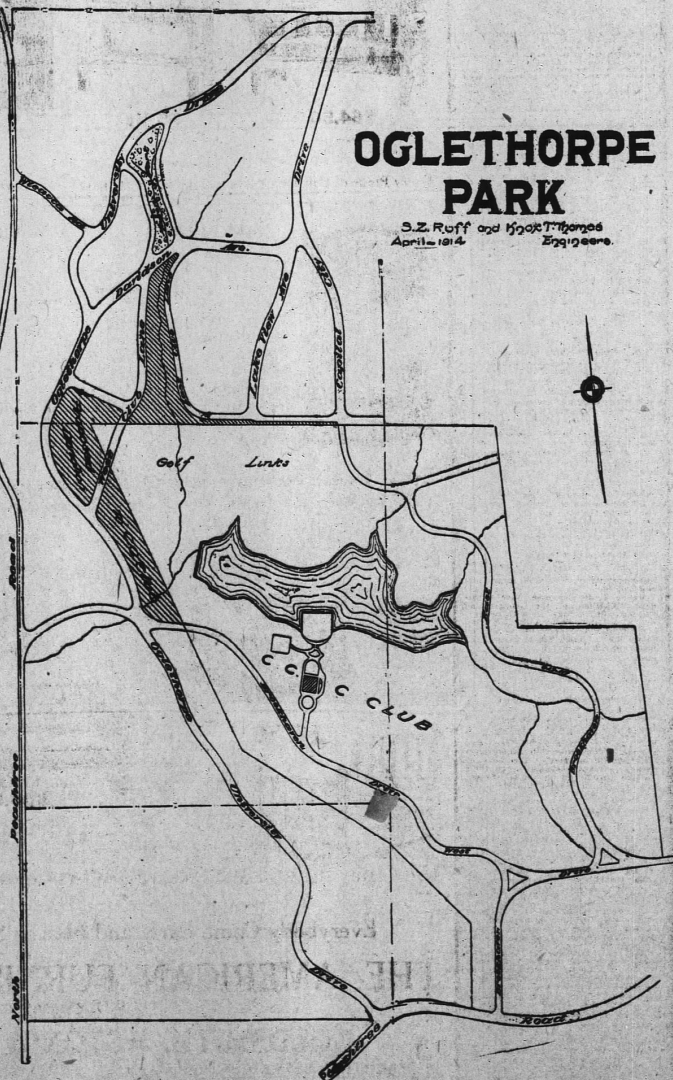

Dear Sir:—In consideration of the agreement of Mr. S. C. Stovall to compensate me out of land immediately adjoining the lots controlled by me in the Brookhaven Subdivision, I hereby agree that the Driveway provided in Mr. Stovall's agreement may be constructed across the said lots controlled by me.

Very truly yours,

A. V. GUDE, JR.

Drive out and look over this property Go up on the hill that is offered for a Club House site and get the beautiful view of the lake and Golf Course, and see if you do not think the Club could afford to accept this property with its 3,000 feet of frontage as a gift

Explaining My Proposition

ATLANTA, GA., April 20th, 1914.

TO MY FELLOW MEMBERS OF THE CAPITAL CITY CLUB:

I find that my proposition to the club has been misunderstood by some of its members. The accompanying map shows the land that Mr. S. C. Stovall proposes to deed to the club, marked "A" and "B," for the purpose of widening the club grounds on the west. The tracts marked "C" and "D" are the ones that I propose to deed to the club to widen its boundaries on the northwest for a club site, and to widen the golf course.

The map shows that the club has only a small triangle located between tracts "A," "B," "C" and "D." The tracts marked "D" and "C," taken in connection with the triangle now owned by the club (which is covered with a pine forest) embraces one of the highest and most attractive hills around Atlanta. The view from this point of the golf links, the lake and the present club house, is the most attractive of any of the beautiful views that can be had from the hills surrounding the club property.

I have never suggested that the club abandon its present club house, or change the plan of its new golf links in any particular. I stated that the present club house would always be useful as a place where refreshments can be served, a convenient point from which to reach the lake for boating, fishing and bathing purposes, and also for lockers for the golf players. I do now repeat that the club will soon need a handsome, typical country club house, with ample restaurant, dining room, ball room, covered porches, and sleeping rooms for such of its members as wish to live there, either part of the year or "week-ends."

A great deal of time is lost in going to and from the club, and some busy men would like to spend their week-ends at the club, and utilize both the early mornings and late evenings in playing golf, bathing, boating or fishing, as they do in 71 prominent golf clubs located within thirty miles of the Times Square building in New York.

Outdoor exercise is acknowledged to be the only protection against "nervous breakdown" for the "strenuous business man" of today; so let's do what every other city is doing; provide a way for him to get a maximum amount of it within the limited time that he can spend from his business.

Every reasonable man knows that the Capital City Club is going to exercise its option in June, 1915, to take over its present club grounds, by giving the Brookhaven Estates Company \$100,000 5 per cent bonds, secured by the property embraced in the club grounds, for the reason that the club has already spent \$25,000 in improving these grounds, and will spend that much more before June 16th, 1916.

If the club will acquire the five to ten-foot strip on the north side of the golf links, which is preventing the new 18-hole links from being properly constructed, and will also secure a deed to the triangle shown on the accompanying plat, and take the deeds that are offered by Mr. S. C. Stovall and I, it can issue bonds, and begin the erection of its "living club," and perfect its golf links immediately, and its members can get the full benefit of its country club without waiting until June 16th, 1916, to begin to build its "living club."

My object in securing the donations from Mr. Stovall and offering the tracts of land owned by me to the club, to help perfect its club grounds, are two-fold. It enables the club to get land to perfect its country club that would otherwise cost it a great many thousand dollars, and if the club accepts the donations and locates a handsome club at this point, it will enhance the adjoining land more than the land donated is worth at the present time.

It is simply a plain business proposition, that if carried out will insure to the benefit of all parties at interest.

If the club does not accept the tracts of land offered, of course, this land will be divided into building lots, fronting on Oglethorpe University Drive (which has been made a public road) and Club Drive N. W., and after these lots have passed into private hands it will be very difficult to secure the lots from individuals, and unless secured it will be impossible to regulate the position of improvements of their lots.

Respectfully submitted,

EDWIN P. ANSLEY.

P. S.—The property offered to the club shown in shaded lines will have -3,000 feet of frontage on Oglethorpe University Drive, Club Drive Northwest and Club Drive Northeast.

ATLANTA, GA., March 14, 1914.

MR. EDWIN P. ANSLEY, Atlanta, Ga.

Dear Sir:—I have seen the preliminary plans for connecting from Peachtree road the Capital City Country Club properties and the Oglethorpe University and Silver Lake properties by the development of Land Lots 10, 11 and 12. This will mold these valuable properties closely together, and, when carried out, will be of much benefit to all the properties involved, and one of the most important improvements made in the northern end of Fulton and western part of DeKalb county for many years.

I should think the merits of this proposition would fully warrant the County Commissioners of Fulton and DeKalb in co-operating liberally with you and your associates in opening up this property, which is sure to mean a large increase in the taxable returns from this section, and its rapid development.

As you know, I have no personal interest whatever in any of this property, except my interest, as president, in the future welfare of the Capital City Club. Knowing your ability and success in developing property in this and other sections of the country, I have confidence in your judgment, and believe that if your present plans are carried out, your expectations in the success of this enterprise will be fully realized, and a second Ansley Park is destined to be developed in this beautiful section of Fulton and rapidly growing part of DeKalb county.

Yours truly,

ROBT. F. MADDOX.

ATLANTA, GA., March 13, 1914.

MR. EDWIN P. ANSLEY, Atlanta, Ga.

Dear Sir:—The plan you have outlined for connecting property adjoining the Capital City Country Club with that adjoining the site set aside for Oglethorpe University with a splendid driveway, in which you make provision for a private right-of-way for the car line, is one of the broadest developments undertaken around Atlanta.

I did not know until I saw your plat that only one Land Lot separates the properties of Brookhaven Estates from that of the Silver Lake Estates, nor that a drive could be built on the north side of the Capital City Club property to connect with the University site, that would be only a few hundred feet longer than by Peachtree Road.

The fact that you are willing to change your plans, so that your proposed driveways around the Club property form an attractive Boulevard system around the Golf Links, and are willing to locate your drive on the north of the Links, fifty or more feet from the Club property, and allow the Club the use of this space that is very necessary to make this part of the Links as wide as they should be, is another evidence of your generosity in dealing with your neighbors. It occurs to me that your neighbors, and the public, have profited more than you have, in all of your successful developments.

I believe the Club and the University will certainly co-operate with you to the fullest extent in carrying out your development plans, and I hope that all adjoining property owners will do the same.

Wishing you success in all your plans, I am,

Very truly,

T. JULIAN M'GILL.

Chairman Golf Committee, Capital City Country Club.

To the Voters of Fulton County:

I am a candidate for Sheriff of Fulton County, subject to the
white Democratic primary of May 5, 1914. Should you elect me as
your High Sheriff I pledge to make the following reforms in the
administration of the Sheriff's office:

Impartial enforcement of the law.
Active protection of life and property.
Businesslike administration of the Sheriff's office.
Active, intelligent and courteous discharge of duty.
Equal protection of all the people in all sections of the county.
Efficient and faithful service of the people.
Segregation of prisoners in color and sex all the time.
Humane but impartial treatment of prisoners.
Condition of the county jail to be made sanitary.
Equal justice to all.

My life and record, both as a citizen of this county and a
servant of the people, is an open book and I invite the closest
inspection of it. I am not allied with any political faction and am
free to serve the people as the law of the state requires, without
partiality or the semblance thereof.

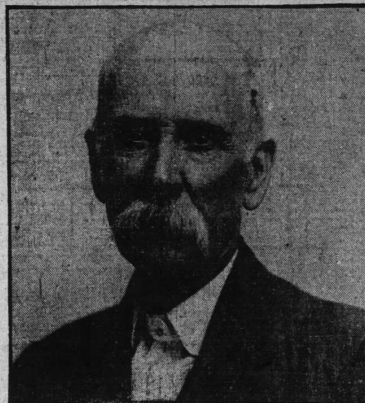

The deputies on my ticket are all gentlemen of the highest
personal integrity, representing honorable positions in the commercial,
industrial and professional walks of life.

Your vote and support will be gratefully appreciated.

Respectfully,

W. M. Mayo

Asks Your Vote For
County Commissioner
From the County at Large

Mr. Chastain is widely known throughout the county.
He was connected with the Sheriff's office for twelve
years, severing his connection with that office some four
or five years ago. He is a plain, practical man, and has
served his time as an expert mechanic. His experience
along these lines will prove a great help to him in admin-
istering the affairs of the County in a practical, common-
sense, business way.

In entering the race Mr. Chastain states that he
does so at the earnest solicitation of his friends through-
out the county. He states that he favors a reduction in
the tax rate, a conservative and sensible administration
of the affairs of the county, and above all a fair and just
distribution of road building and other public improve-
ments.

Mr. Chastain's home is in North Atlanta, formerly
Chastain Town. He states that if elected he will serve
every section of the county impartially and solicits the
support of all of the citizens and no particular faction
or section.

To the Voters of Fulton County:

Did you vote for the
"Salary System?"
Do you favor it now?
If so, you should vote
for W. F. Wesley for
"Tax Receiver of Ful-
ton County." For he is
the only candidate run-
ning for "Tax Re-
ceiver" that favors the
"SALARY SYSTEM."

T. M. Armistead
went into the courts
and defeated the will
of eighty-five per cent
of the voters and tax-
payers of Fulton County.
And in doing so he
has compelled you to
pay him fifteen thou-
sand dollars for four
months' service in re-
ceiving your taxes, in-
stead of four thousand
dollars, as you wanted
to pay him. Therefore
I say he should be de-
feated for re-election.

W. H. Abbott is also opposed to the salary system and would have you pay him fifteen thou-
sand dollars to serve you as "Tax Receiver" for four months.
Mr. Abbott has been a candidate for eighteen months and knowing all this time that eighty-
five per cent of the people favored the "SALARY SYSTEM," he has never said that he favors
the "SALARY SYSTEM."

He has scattered his advertising matter over the country by the thousands, but not one
word that he favors the "SALARY SYSTEM."

He has been asked by a number of people how he stood on the "SALARY SYSTEM." To
each he gave an evasive answer; to some he would say, "That it is unconstitutional;" to others
he would say "read between the lines;" to others he would say "let that take care of itself;"
and to others he would say "I am Democratic."

When he could have said in five words what the majority of the people wanted to hear, I
favor the "SALARY SYSTEM."

But Mr. Abbott is a truthful man, and as he does not favor the "SALARY SYSTEM" he
will not say so.

So if you favor the "SALARY SYSTEM" to go for WESLEY, he's a winner.

Respectfully,

W. F. WESLEY

Deputy, C. Wilmer Ferguson

OSCAR MILLS

To the
Citizens
of Fulton
County:

On May 5 you will
say by your ballots
whether Mr. Tull C.
Waters shall serve an-
other four years as
county commissioner
from the country dis-
tricts, or whether I shall
take his place. One
county commissioner
must live outside of
the city. For this par-
ticularly designated
place on the board Mr.
Waters and I are the
only candidates. The
issue is between us two
and nobody else.

In the first place, I
want to say the report
that if I am elected I
will vote for Mr. Shelby
Smith as superintendent
of public works is a
malicious falsehood.
Mr. Waters, to my sur-
prise, has helped to cir-
culate this report. Mr.
Smith is not even a
candidate for the place
in question. He has
not asked me to vote
for him, but, on the
contrary, has stated in
the public prints that
he would not have the place.

As stated in my formal announcement, I am a candidate for this place because I feel that
I am fitted by years of practical experience to render valuable service to this county as a mem-
ber of the county board. I have moved thousands of yards of dirt and paved miles of roads, and
I know from actual experience what could be done with modern equipment in the public works
department.

I believe in running the county affairs in an up-to-date, business manner, using economy
in all departments. I know that by using more machinery and less picks and shovels that we
can accomplish infinitely more in grading and paving, and lessen the burden on both men and
mules.

I believe the convicts should be properly fed and humanely treated, but I also think they
should do a full day's work. I think the county should co-operate thoroughly in sewer building,
paving and other needed work in Atlanta, as well as give to all outlying sections what they are
entitled to.

I am familiar with the needs of this county, and if you can give me your vote and influ-
ence I assure you that you shall have no cause to regret it.

Very respectfully,

OSCAR MILLS

THE old story of "Wives and Sweethearts" and war is being repeated. While the public reaches out for the extra carrying the latest war news, a group of women and children at the deserted Fort McPherson wait anxiously for the news of the husbands and fathers and brothers they have given up to the country's cause.

The public reads about the "number killed"; comments on the "political phases" of the situation, and sets the bromide question, "Is it worth the lives of the soldiers we will lose?"

How American Women May Keep Faces Young

"The American smart woman ages early, far earlier than the English woman," says Christian Miller, F. C. I., the famous English health expert. She adds that our climate "no exhilarates that you over-exercise yourselves and grow old before you know it. That is the skin that lacks moisture grows thin and withered looking and soon forms wrinkles. American women come to the fort with a face that is a little each day, until the fresh young skin beneath is wholly in evidence. Every drug that has this watery, once more sufficient spread on at night like cold cream, washing it off next morning, powdering as usual in a half pint which later, bathes the face in this. In immediately every wrinkle is affected, even the deeper, lineal wrinkles are remarkable facial rejuvenators."

TANGO AWAY WITH CORNS

TANGO Roots Out the Corn; Draws the Core Painlessly and No Swelling or Soreness.

No more swollen and inflamed toes from caustic remedies that are worse than the corns. No more band-aids sticking to the toes and jerking away from the sore flesh with excruciating agony. No more picking and pointing at a point or TANGO is the most marvelous remedy in the world for corns and bunions. The first touch ends your suffering. TANGO roots out the CORN of the corn clean as a whistle and leaves the skin pink and healthy. It is the one safe and painless remedy; the one GUARANTEED remedy. Any druggist selling TANGO will return your money if it does not root out the CORN of the corn painlessly. See the AID, Druggists. Made and GUARANTEED by Jacobs Pharmacy, Atlanta.

Make your reservations early.

Person start when they hear the telephone ring; they meet every messenger they see with the anxious "What news?" They sit together and wonder and apprehend and anticipate all day, and they sleep and dream and dream at night. They cheer the little ones, big enough to talk of war, and they are glad they do not have to explain to the baby ones.

Those who went through the Spanish-American war go back to those days; they recall the experience in the Philippines, and they wonder again what this war will bring. There is no music to cheer them; the regiment band has gone; no games on the campus, except those of the care-free little folks. The homes are dismantled; the turnips are packed, and these wives and sweethearts and mothers are ready to go as near to the front as they can, but the word comes for them to stay, for the Seventeenth regiment may be sent of the first to go into the fighting field.

The officers and their wives from the fort will be missed on the brilliant scene of Atlanta's opera next week, for those remembered by their friends, "the wives and sweethearts" will stay at home.

Of war, Richard Le Gallienne has written:

War: I abhor!

And yet how sweet

The sound along the marching street

Of drum and fife, and I forget

Wet eyes of widows, and forget

Broken old mothers, and the whole

Dark butchering without a soul!

Without a soul—save this bright drink

Of heady music, sweet as hell; And even my peace-shedding foot

Go marching with the marching feet.

For yonder, yonder goes the life, And what care I for human life!

The tears fill my astonished eyes, And my full heart is like to break.

And yet 'tis all embowered in make. A dream those little drummers

Oh, it is wickedness to clothe That in a garden of glory walks,

Till good men love the things they loathe;

Art, thou hast many infamies, But not an infamy like this.

Oh, snap the fife, and still the drum, And show the monster as she is!

Without a soul—save this bright drink

Of heady music, sweet as hell; And even my peace-shedding foot

Go marching with the marching feet.

ed the girl he could dance best with, he naturally preferred dancing with her everywhere he went. "She knows my steps and I know hers," he explained.

"In New York there are as many ways to dance any one dance as there are people who dance it. "Nothing tires a man more when he knows how to dance a certain way and finds that his partner either does not know that step or wants to teach him hers. Men are rather conscious about learning anything, and they don't like to be made monkeys of by trying to dance something that it would require study to learn.

"Far from necessarily being in love with the girl with whom you are seen most in New York," he continued, "you escape it. The girl becomes rather your good comrade and she looks upon you as the partner for the dance and never expects any sort of 'life contract' about it.

"I don't say you are not apt to fall in love with the girl you prefer to dance with, but it doesn't necessarily argue because you take the same one to all the dances that it means anything serious, as the gospel term it." With dancing the most popular mode of recreation, men having dancing affluities may give the carriers against dancing a new cry—that of its dangers to romance and sentiment.

In small towns where each girl's beau is called her "steady" there are more marriages than in the larger cities, and it is just as logical to suppose a dancing "steady" would as often prove the right one as the wrong one.

BEEFSTEAK VERSUS FLOWERS.

A thrifty woman, and yet one with markedly artistic taste, led a debate not long since about an incident which savored of romance in one way, and the more practical side of things in another.

A gentleman, single and unattached, was very attentive to a charming lady who resided in the most picturesque of bungalows, and was noted for her dainty housekeeping (all this in a distant city).

He was in the habit of dropping in about tea time, and accepting the invitation usually extended—"Just a little tea, and a salad, but what you stay?"

"Yes," he stayed, always, and far into the evening! The man had frequently partaken of the woman's hospitality. A steak is not generally selected by a woman for supper, and he possibly thought it was a dainty remembrance. The debate which ensued was so heated that the woman who told the story never had the chance to tell just what did happen about the original incident of the steak.

This is not an age of romance, it is said, and young people are urged to be practical; therefore, it may be just an incident of the advanced method of attention that may some day exist. With the cost of meat growing greater each day it may come to be a delicate attention for a gentleman to "come

of course, she did not accept it. I have

heard of a man sending flowers or fruit, or even vegetables from his farm, if he had one, but—perish the thought—beef steak!"

FREE DEALS MEN BUMPED HARD BY N. Y. WHOLESALERS

The New York Wholesale Grocers' association is on the warpath against free deals, and has apparently come pretty near its limits of patience, to judge by the following letter:

To Whomsoever: We regret to find that in spite of our past efforts deals of different kinds are being put on by the manufacturers.

It must be evident to all that deals are only in the interest of the manufacturer for who ever has deals with their orders when they were being with their orders.

It is to the interest of the retailer to collect their bills in ten days from the date of the order.

Deals cannot exist without the consent of the jobbers, and a united protest on your part will end them in less than thirty days.

We trust all the wholesale grocers will see it is to their interest to not only decline deals, but to write their reasons to the manufacturer who put them on.

Yours truly,
NELSON GRAY,
April 8, 1914. Secretary.

T. S. Matthews, who has been with Dinkins-Davison Hardware company for the past eleven years, has left that firm to enter the service of the King Hardware company.

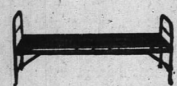

Mr. Matthews took the road for Dinkins-Davison, in south Georgia territory, they were practically unknown below Macon. Now they employ three men to cover that territory.

TRADE NEWS

The "line" at Pain & Stamps yesterday morning was Cliff Edwards, S. E. Smith and W. Y. Bailey. They all had a good business last week.

W. H. Stents, manager of the John Deere Flow Company of Atlanta, returned from St. Louis, where he attended a special meeting of John Deere branch managers.

T. W. Moffat, with John Silvey & Co., is expected in tomorrow to make up his line of samples for fall.

Ben Dawson, one of Pain & Stamps highly capable salesmen, was in the city for a day or so the first part of last week.

T. K. Johnson, division sales manager of the John Deere Flow Company of Atlanta, is relieved from duty for two weeks' vacation, which time he is spending at Lake Springs, Tenn.

Ell Callaway, of the Callaway department stores, Ladysburg, Ga., was a visitor at Pain & Stamps Friday.

F. H. Corey, S. A. Johnson and H. T. Burton constituted the "line" at John Silvey & Co.'s late Friday afternoon.

E. L. Adams, of the E. L. Adams company, has been slightly under the weather for the past several days. Mr. Adams has been battling with a spell of grip and for a day or two the first of the week he was confined to bed.

This spell of sickness, Mr. Adams figures, came at the wrong time, as he is a shirmer and would very much preferred to have participated in the ceremonies of last week.

Frank King, representing the Burnham-Morrill Company of Portland, Ore., was in the city for the first time, for which Pain & Stamps are distributors, has been working the city trade for the past several days.

J. K. England and J. A. Massey, of the sales force of the E. L. Adams company, participated in the Shiner convention last week to the extent of initiations on Wednesday night.

Spot Ramsey, of the shipping department of Pain & Stamps, reports that Friday was the biggest day's business he ever killed out.

The "line" at Dougherty-Little-Redwine company Saturday morning were J. O. Castleberry, W. F. Bear, J. M. McKibben, J. A. Woodliff, A. S. Williams and H. L. Truett. The report of every man showed an exceptionally good business last week.

W. M. Johnson, Sam Hanes, Morris Craft and Carlton Hanes made up on the line of "line" at Ragan-Malone company yesterday morning.

E. L. Belt, a prominent retail merchant, Ragan & Co., was a visitor at Ridley-Williamson-Wyatt company one day last week.

Warren B. Hatcher, an Atlanta boy, accepted a position in the Big Battle-Axe shoe plant. He has made good and is now on the road in Kentucky, having a nice business. Hatcher says, "It is easy to get ahead if you have a purpose to get up the ladder. His motto has been: 'Forget the clock, stay on the job, let loose alone, tell the truth, talk less and think more, and the greatest of all to back back to the days of childhood and remember what dear old mother taught him.'

N. K. Smith, the Battle-Axe shoe man, says: "If many of the people who are barely aking out a living in this larger city were to take a delight would be theirs if they would come to Georgia, go out into the country and take small farms and till them. Presently, they would make a good living on half the work with no worry. With the same hours of work they would be prosperous. Today the state of Georgia is ready for seed to nurture and turn out a beautiful harvest to supply all the wants of man."

Pain & Stamps declare the price of canned asparagus, 1914 packed, will be lower by 10 per cent than heretofore. This means to be a good indication that canned asparagus is becoming more of a staple. Another canned goods article that will be marketed at a lower price is Hawaiian pineapple. During past seasons the price has been against the article and there has not been as great deal handled in this territory. However, merchants can buy all the want in Atlanta for fall delivery, and the price reduction will be something like 20 per cent under last year.

Arthur Whitmeyer, of Ragan-Malone company, was in for a couple of days last week looking after his line of fall samples.

J. P. Armstrong, J. S. Cheek and D. L. Lassiter registered in at Ridley-Williamson-Wyatt company yesterday morning, with portfolios that business during the last week was mighty good in their territory.

Manager Ed Longberg, of the Binder Frame Manufacturing company, returned yesterday from his drive down the Central of Georgia road, where he found a very satisfactory business.

J. W. Vaughan, of Cartersville, Ga., president of the Southern Merchants' association, was a visitor at Ridley-Williamson-Wyatt company one day last week.

J. R. Little, of Dougherty-Little-Redwine company, passed through Atlanta yesterday on his way to Birmingham special, en route from New York to Madison, to attend the funeral of the late J. R. Perryman.

J. J. Cooper, of Vienna, Ga., was a visitor at Ridley-Williamson-Wyatt company during the past week.

Is Never Turned Down.

There's a man in the world who is never turned down, wherever he chances to stray; he gets the glad hand in the populous town, or out where the farmers make hay; he's greeted with pleasure on deserts of sand and deep in the aisles of the woods; wherever he goes there's the welcoming hand—He's the Man Who Delivers the Goods.

The failures of life sit around and complain; the gods haven't treated them white; they've lost their umbrellas whenever there's rain, and they haven't their lanterns at night; men tire of the failures to fill with their sighs the air of their own neighborhoods; there's the man who is greeted with love-lighted eyes—He's the Man Who Delivers the Goods.

Parcel Post Beats Freight.

Lexington, (Mich.) Correspondence to The New York Sun.

A ton of flour going from Nepersee to Pierce City by mail passed through the depot here, and although the flour is 10-pound sacks, it is necessary to weigh it, every time it is transferred, in order to get the weight for the mail "fracta." This means putting it on the scales at Nepersee, Valmar, Lewiston and Grider.

A Spokane concern this week shipped 2,000 pounds of crackers to local dealers on the Camas prairie, the rate being 4 cents per 366 pounds less than freight on that class of goods.

THE CREAM OF THE SHOE TRADE A Desire to Excel

Any Southern Shoe Merchant, who will, can have the best shoe trade in his community—he can get it by the right kind of merchandising and a correct policy in dealing with the public.

These two points and a complete line of Shield Brand Shoes insures success. When a Southern Shoe Merchant stocks up with Shield Brand Shoes, he gets our full unqualified cooperation, and the benefit of our organization, and experience. He gets the direct results of our continuous advertising to consumers throughout our territory.

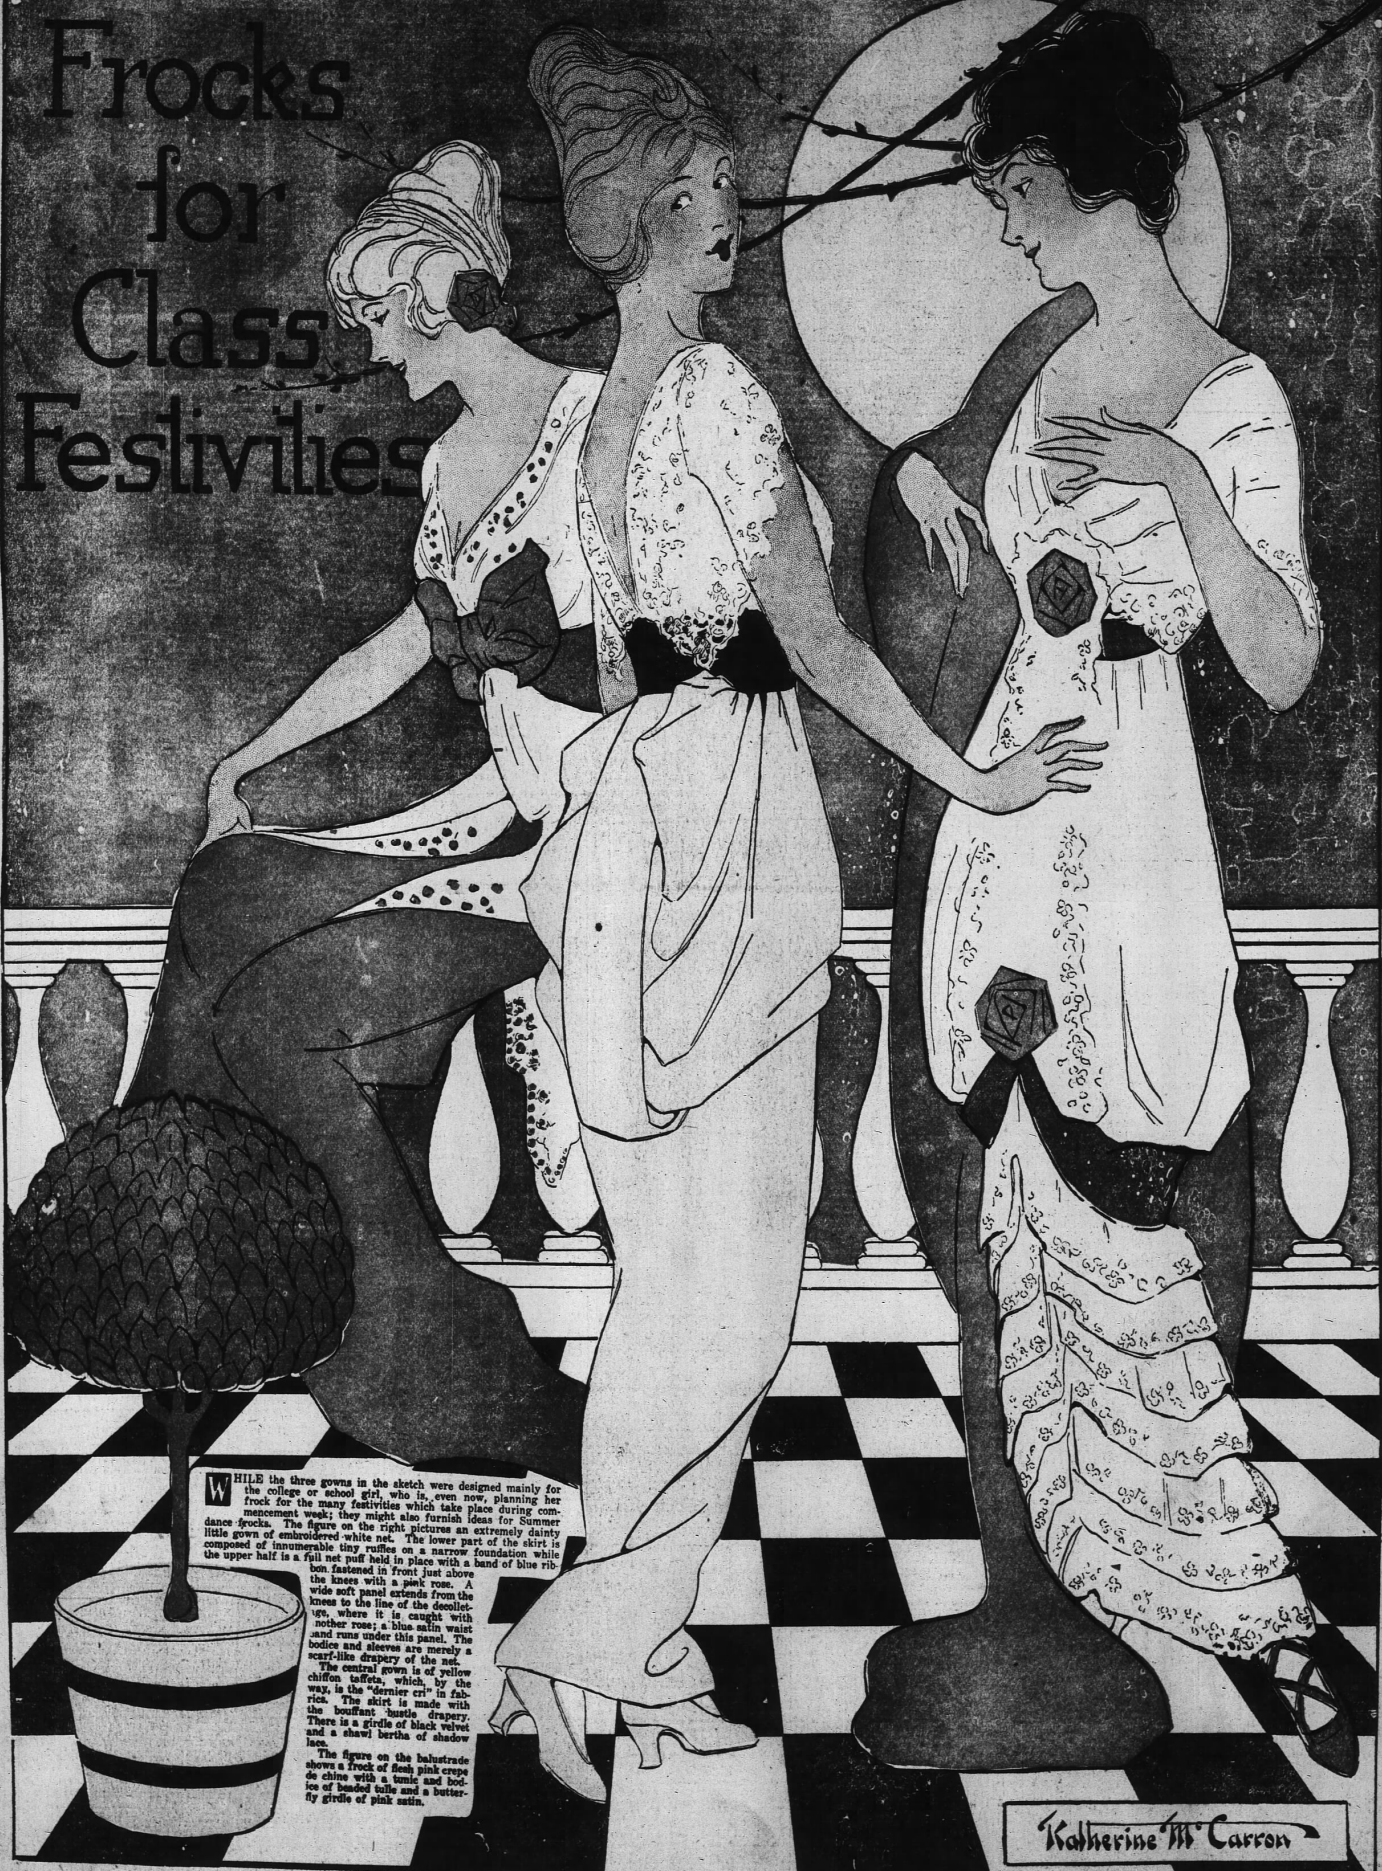

Foresight in buying and care in the selection of materials and the highest price skilled labor makes it possible for us to offer Southern Shoe Merchants the greatest values they are able to secure in any complete line of men's, women's and children's shoes.

We always carry, ready to ship, a million pairs of Shield Brand Shoes in all the popular leathers and favorite lasts at a price that means larger shoe sales and larger shoe profits for Southern Shoe Merchants.

Write for samples, express prepaid, or request a salesman with full line. We have a very useful catalogue of Shield Brand Shoes, published for the convenience of Shoe Merchants, that will be mailed on request.

Frocks for Class Festivities

WHILE the three gowns in the sketch were designed mainly for the college or school girl, who is, even now, planning her frock for the many festivities which take place during commencement week; they might also furnish ideas for Summer little gowns of embroidered white net. The lower part of the skirt is composed of innumerable tiny ruffles on a narrow foundation while the upper half is a full net puff held in place with a band of blue ribbon fastened in front just above

the knees with a pink rose. A wide soft panel extends from the knees to the line of the décolletage, where it is caught with neither rose; a blue satin waistband runs under this panel. The bodice and sleeves are merely a scarf-like drape of the net.

The central gown is of yellow chiffon tulle, which, by the way, is the "dancer's cry" in fabrics. The skirt is made with the brilliant "bustle" drape. There is a circle of black velvet and a shawl bertha of shadow lace.

The figure on the balustrade shows a frock of flesh pink crepe de chine with a tulle and bodice of beaded tulle and a butterfly girle of pink satin.

I believe in a business administration of a business office; impartial efficiency rather than unnecessary brutality; in upholding the law rather than yielding to prejudice and passion; that prisoners should be treated humanely by their custodians; that punishment should be inflicted by the courts and not by subordinate officers; that the duties of a sheriff should be administered without fear, favor or affection in accordance with his sworn and bonded duty. In addition to my promise, the personnel of my deputies is a guarantee that this policy will be pursued in the future as in the past. We are thankful for what we have received and will appreciate your vote and influence in the primary of May 5, 1914.
 Very respectfully yours,

GLAD HANDSHAKERS GREETING PUBLIC

Seventeen Men Want Six
 Vacancies in County Of-
 fices—Everybody and His
 Friends Busy.

The hand-shaking candidate is abroad in the land. On every corner where little groups of men gather who have seen the office-seeker pouring into the ear of a voter his claims for the latter's suffrage.
 In the primary to be held on Tuesday, May 5, will be settled the question of who shall handle, for the next two years, certain affairs of the county, and in the scramble for office, seventeen men are going to be busy, trying to nestle into just six berths, where they can be the public with courtesy, efficiency and much faithfulness.
 In a few instances candidates for offices are unopposed, and these can look on with serenity with nothing to upset their equilibrium except the occasional alarming reflection that Uncle Sam might need them down in Mexico before they can be installed for another term in their respective offices.
 These unopposed candidates are Arnold Broyles, for clerk superior court; H. L. Culbertson, for county treasurer; Paul Donahoe, for coronor; and C. S. Roberts, for county surveyor.
 In the race for sheriff appear three well-known men—C. W. Mangum, who has held the office for a couple of terms, and whose friends say he has made a record which will mean his re-election; W. M. Mayo, a police captain, who has seen long service on the police force and by reason of which his friends say would make an ideal sheriff; and J. O. Wright, a deputy in the city marshal's office, but an ex-sheriff of Georgia county, with a good record, and his friends declare he is just the man for Fulton's sheriff.
 For tax collector, Chas. I. Brannan, well and popularly known, and former member of the state legislature, is opposing the present incumbent, "Uncle Andy" Stewart, who says he is running on his past record, which record appears to please his numerous friends, and they predict another term for him. However, Mr. Brannan and his deputies are mixing mightily with the people, and his friends are anxious for him.
 The race for tax receiver is a three-cornered affair. T. M. Armistead, who has served the public for years—and his friends say he is well posted—opposed by W. H. Abbott and W. F. Wesley, both of whom are well known, backed by a large coterie of friends.
 Mr. Abbott has been a successful clerk in the record room of the county, while Mr. Wesley is a well-known and successful business man of the city.
 In the race for membership on the county board nine men are seeking three vacancies, and there seems to be much doing among these candidates and their friends.
 From the country districts two candidates are expected to be elected, the present incumbent and Oscar Mills, both of whom are well known to the friends of each predict their favorite a winner.
 For the commissioners' places from the city, the race is a three-cornered one, and the executive committee says you must vote for two of them. The county, seven of Fulton's leading citizens are going to be busy, and they declare them a winner, consequently some one is going to be elected.
 On the morning of the 5th, the candidates are expected to appear. Geo. B. Findlay, Dr. Wm. L. Gilbert, T. J. Hightower, Jr., Jas. W. Meadows, Chas. G. Turner and William S. Wier.

Candidate for County Commissioner

I will not remain in ignorance of what is going on in our Convict Camps, and I will do my duty to all sections of the County in the same fair and impartial way.

Efficiency Is Economy

TO THE VOTERS OF FULTON COUNTY:
 I congratulate the people of this County upon the fact that all the Candidates for the position of County Commissioner have now pledged themselves to reorganize the system of conducting the Public Works Department in such manner as to put into use modern methods and up-to-date equipment. This was my original platform and all my opponents approve my position.
 I am confident that this reorganization, if made by practical men, will secure greater efficiency and guarantee an increase in grading and paving work of at least 20 per cent. I reaffirm my position on this question and pledge myself, if elected, to bring about this reorganization without delay.
 I believe in being economical in the disbursement of County Funds as is consistent with progressive methods. I believe the tax rate can be reduced without injury to the public improvements of the County, and should advocate such reduction.
 I believe that it is the duty of the Members of the Board of County Commissioners to be at all times familiar with the conditions as they exist. I shall never plead ignorance of such conditions.
 The convicts should do the work required of them. They should be accorded humane treatment. They should live in sanitary and wholesome surroundings, and their physical welfare should in no case be neglected. No cruelties will be permitted. They should be required to perform the labor directed in the sentence of the Court; but they should not be deprived of the opportunity to receive religious and moral instruction on the Sabbath Day and at such other times as convenience will permit.
 The public forces should work for the public. I shall oppose the use of County convicts or other facilities of the County to improve any private property. There should be a fair distribution of the work of the County forces so that no section will be neglected, but all will receive fair treatment and every community will be allowed to grow with the others.
 I favor the completion of the sewer work now under way without the endless delay that has been attending its execution since it was agreed upon.
 I have no private interests to serve. My age and my experience have been diversified enough to justify me in the belief that I can render efficient and satisfactory service to my fellow citizens, and that I can assist in safeguarding the public money as well as in carrying on the public work.
 I shall advocate a system of co-operation by the county board with the municipal authorities of the cities of Atlanta, East Point, Hapeville and College Park, to the end that these cities shall be treated with fairness in the carrying on of public improvements.
 In conclusion I beg to say:
 My own experience has proven that modern methods and modern equipment will be the means of securing a large increase in the efficiency of the County forces, and at the same time will afford the means of lighter work for the convicts.
 I am familiar with all sections of the County, having had occasion to visit all sections in the course of my duty in the past; and I shall favor a completion of the main thoroughfares to the county lines on all sides and in all directions, and shall advocate a just and proper distribution of the improvements of the County in such way as to bring development into all sections together, giving to those sections which have been neglected first consideration.
 I shall advocate the dissemination of information so that all citizens and tax payers may know what is being done with their money by their servants.
 If elected I promise the people of this county faithful and intelligent service. I will be always on the job for them, and will keep informed as to all things that are needed and all things that are being done, and will let the people know what they are.
 I will thank you to cast your ballots for me on May 5.
 Respectfully,
J. W. Maddox

NASHVILLE FANS HAVE TAKEN HEART

The Showing Made by the
Baseball Team Lately Has
Got Everyone at Sulphur
Dell Wild.

Nashville, Tenn., April 25.—(Special.) Baseball stock is booming in Nashville these days, the result of the Vols. annexing three out of four from the Lookouts in the opening series on home grounds. Local fans who were inclined to knock Manager Schwartz and his gang of pastimers were forced to admit that the boy pilot had assembled a combination which was ribbon race.

One feature which keeps Whipple Schwartz and "old moggie" mugs wreathed in smiles is the way the locals have been hammering the ball. Callahan, Sloan and Lindsay have especially been cutting in with wallop at the psychological moment, and the showing made at home during the week is due largely to the efforts of the aforementioned trio.

Callahan has been coming through with nothing short of doubles and triples, and in the third game on home grounds annexed the distinction of being the first player to drive the sphere out of the local park for the circuit this season.

Williams a hit. A great addition to the club is Otto Williams, secured from the Kansas City club, who has been playing second. Williams is a veteran, and slow on the path, due mainly to a charley-horse which attacked him down in Atlanta last week, but which in the recesses of his cupola there rears large quantities of gray matter which is continually cropping out at the right time. He has fifty-seven varieties of baseball experience, and the youngsters on the local club are finding him somewhat valuable as a teacher, since Williams coaches them on and off the field, and is far more teaching them some new play.

Williams has also been hitting up around the big mark, and Manager Schwartz says he's a fixture at the keystone.

Another valuable addition to the lo-

cal roster this week was McNeill, a classy young infielder secured from the South Atlantic league. The veteran was originally purchased for second base, but as Otto Williams has been contributing all varieties of class around the middle bag, McNeill will be given a chance. It is the general opinion in baseball circles that McNeill will be retained as utility man as it is understood that he can play the outfield as well as any of the base.

Outfield Good.
Pinch McCabe, who has been performing in the role of utility man with fair success, will, in all probability, be released, since McNeill is expected to be several notches higher than McCabe in hitting. McCabe was secured from Jersey City to play the outfield, but King Callahan and Sloan got the jump on him and secured the regular berth. Callahan is an old-timer in center, but Sloan and King are new members of the Vol machine.

King has been demonstrating his worth every day by being to the good as a lead-off man, managing to walk three as much as any other member of the club. In the Chattanooga-Nashville series, King walked eight times, being able to look 'em over and making himself a very difficult man to pitch to.

The Vol's only weakness is behind the bat. Red Smith, the spiral-topped lad, secured from the Kitz, has been doing good work, but the stolen base record of the opposing clubs is strong evidence that he is not as strong behind the wood as a Class A catcher should be. Manager Schwartz has a couple of coil catchers on his staff—Boal and Rogers—but Red Smith has it on them a mile, and it now looks as if one or both will be released some time soon.

In case Manager Schwartz can secure a first-class receiver, Red will be retained as second catcher, but from the present outlook it is hardly probable that a catcher of any kind will be signed within the next few weeks.

GEORGIA LEAGUE

American S. Brunswick.
Brunswick, Ga., April 25.—(Special.) By taking this afternoon's game from Brunswick by a score of 10 to 2, American made a clean sweep of the series. Another twirler was in the mound for the locals, and he was hit hard. Ellis tied up in the seventh with a home run, a triple and a double in 1.40 minutes. He drove in four of American's eight runs. Tug, who pitched for the victors, was wild, walking nine and hitting four batters, but he was effective in the pinches and pulled out of several difficult holes.

AMERICAN LEAGUE

Naps 1, White Sox 8.
Cleveland, Ohio, April 25.—Hagerman, a recruit pitcher, had the edge on Naps, of Chicago today, and Cleveland won, 8 to 1. The winning run was scored in the ninth inning. Both pitchers worked in great style, and there were many fine fielding features. Turner, Lord, Weaver, Bode, Hagerman, Chase and Carich each contributed sensations.

Score by innings:
R. H. E.
Cleveland 8 000 000-8 1 1
Chicago 1 000 000-1 2 1
Batteries—Hagerman and Schall; Hagerman and Carich. Time, 1 1/2 hours.

St. Louis 4, April 25.—Harry Cowles' pitching was too much for St. Louis today. Detroit winning again, 4 to 1. The big Detroit left-hander allowed but six hits, his opponent, Hamilton, was hit timely, and his teammates helped in a rugged fashion. Hamilton gave away to a pinch hitter in the eighth inning, and Baumgartner finished the game for the home club, score by innings:

Mitchell Sixes Products of Long Experience

This company has been building popular priced sixes longer than any other concern in this country. Hence the sixes we offer are the product of many years of experience and in no sense experiments.

The **Mitchell Little Six** which was known as the "Baby Six" in 1912, is in our opinion, the most logical investment in the automobile market. It is not only the sensible compromise between big and little power and passenger capacity, but it has everything that any high-priced car can offer you.

It has quality that insures long life. It has the style of beauty that the exacting mind demands. It has as much speed and power as any person can desire. It will hold its place in any company and look classy and work perfectly for several years to come. Its equipment is complete, and details thereof sterling in character. The price \$1,895, brings this smart car to you ready for instant use. There is nothing left for you to buy—no extras—no appointments.

The **Mitchell Big Six** is the biggest and best car at the price that has ever been produced. It is built along the same lines as the Little Six save that it has 144-inch wheel base, somewhat larger tires, greater passenger capacity. Yet the quality of the two are identical. The equipment is precisely the same—the outward beauty similar. For a big family car the Big Six has no equal in America and there is nothing as good for less than \$3,500 or \$4,000. The price of the Mitchell Big Six is only \$2,350.

The **Mitchell Four** is intended for those who feel that they cannot afford either of the Sixes. It is the only four-cylinder car we make. We build it to meet the demand of those persons who will like a four-cylinder car of class at a popular price. It has the same equipment as the other two cars and sells for \$1,595. We want you to look this car over minutely and then ask yourself if there is a four-cylinder car at anywhere near the price that can compare with this one in any detail.

Here is the Equipment for all the Mitchell Models Which is Included in the List Prices as Given:

Electric self-starter and generator—electric lights—electric horn—electric magnetic exploring lamp—mohair top and dust cover—Tungsten valves—Jiffy quick-action side curtains—quick-action two-piece rain vision wind shield—demountable wheels with one extra—operable rubber extra tire car—Bair bow holders—license plate bracket—pump-jack—and complete set of first-class tools.

Specifications of the Three Great Mitchell Models:

Mitchell Little Six—Fifty horse-power—132-inch wheel base—\$1,895

36 x 44-in. tires—two of five passenger capacity

Mitchell Big Six—sixty horse-power—144-inch wheel base—\$2,350

37 x 5-in. tires—seven passenger capacity

Mitchell Four—forty horse-power—four cylinders—36 x 44-in. tires—two of five passenger capacity—\$1,595

CITIZENS' LEAGUE HEAD PLEASED WITH RESULTS

City-Wide Canvass for New Members Wonderfully Successful, He Says.

President Bartow M. Blount, of the Citizens' League, of Atlanta, Saturday declared that the city-wide canvass for new members for the organization is proving wonderfully successful.

"Our membership is already well up in the thousands," he said, "and we are still busy sending out letters and every enrolled voter who has not already registered will receive a personal invitation for we believe that the cause should appeal to every patriotic Atlanta."

"We urge everyone in sympathy with the movement send in his reply at once. We are highly pleased with the number of replies coming in."

"We can assure them that there will be opportunity aplenty for service. With our canvass for membership finished and the grand opera season and the meeting of the imperial council of the Shrine over, we plan a big public rally, where we will assert our force."

"It is well to consider the objects of this organization in connection with such high lights of our civic progress as grand opera week and the meeting here of the shrine. These things were secured by the co-operative effort, and it is obvious that to continue with like successes that spirit must be kept alive."

GOVERNOR IS VISITED BY SENIOR CLASS

The senior class of the Georgia Normal and Industrial school, at Milledgeville, paid their annual visit to Atlanta Saturday and called on Governor Slaton, after which they visited the state museum and various parts of the capital.

Governor Slaton greeted the young women in the reception hall of the executive office, and after making them a brief talk, shook hands with each one of them.

Diagram Shows How Autos Should Come to Auditorium

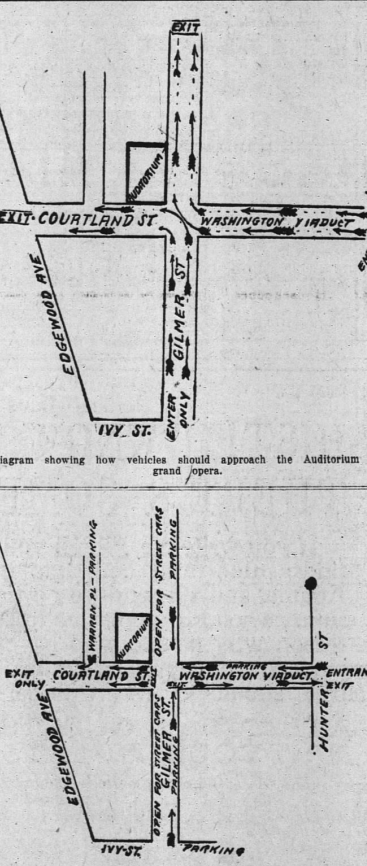

Diagram showing how automobiles and other vehicles will be parked during grand opera performances.

The accompanying diagrams explain how the Auditorium should be approached by those in vehicles, expecting to attend the performances of grand opera this week. The first diagram shows the movement of vehicles which has been decided upon in order to avoid confusion. Those holding tickets for seats which should be reached through the Gilmer street entrance, are requested to approach the Auditorium from the Washington street viaduct, coming by way of Hunter street and turning to the right at Gilmer street on arriving at the Auditorium. Those in vehicles holding tickets for seats adjacent to the main entrance on Courtland street,

should drive up Gilmer, turning to the left at Courtland.

The following statement prepared by the Atlanta Music Festival Association, will explain the plan so there can be no mistake:

All holders of tickets for boxes marked "Right" and sections B, C, D, E, F, G, H, I, K, L, M, N, O, P, Q, R, S, and marked "Right," will please use the Gilmer street entrance; and those using this entrance who come in automobiles or other equipages, will please approach the Auditorium from the Hunter street side over the Washington street viaduct. All other ticket holders are requested to use the front entrance on Courtland street; and those using this entrance, who come in equipages of any kind, will please approach the building from Ivy street through Gilmer street.

In approaching the Auditorium to load, both sides of Gilmer street and the Washington street viaduct may be used.

Parking Cars.
The second diagram explains the parking of cars while the opera is in progress. It is self-explanatory and shows where the cars are to stand, depending on the direction they come from during the performance.

MEETING WILL DISCUSS NEGRO PROBATION WORK

A mass meeting will be held at Bethel church, Sunday afternoon at 2 o'clock in the interest of the probation work among negroes. All persons interested in reform work among colored people are urged to come.

There Must Be No Delay If You Wish to Get Free A Magnificent Automobile

The Constitution wishes to improve upon those who desire to become interested in this contest that the time to start is today. Soon the field will be entered by enterprising, quick-witted, capable candidates, and those who hesitate are likely to find it more difficult to begin in a campaign after someone else has entered the territory.

Consider for a moment what may be done with what The Constitution offers to those who care to compete for its generous awards. The conditions are such that all have an equal opportunity. Nothing is required except a little time, energy and effort.

Now is the Time.
The time is very short; the rewards are greater in proportion than can safely be had in any business venture. Thirteen automobiles will be given away. Why not win one of these machines? You can do it if you will try.

If the candidate should fail to secure one of the automobiles, he may receive a fine \$750 Ludden & Bates self-playing piano.

These instruments are masterpieces of workmanship, and the very last word in musical instruments of their class. A candidate may feel well rewarded for the little time spent in securing one of these special prizes.

Every energetic candidate who puts forth the proper effort is guaranteed a prize.

Fill out the nomination blank, which can be found on editorial page of this issue, and send it in today.

Summary of Prizes.
Each.
2 Seven-passenger Oakland Touring Cars, \$5,000
2 Five-passenger Vells Touring Cars, \$1,500
2 Five-passenger Overland Touring Cars, \$1,500
Ludden & Bates Self-Playing Piano, \$750

Total.
All \$25,000.
All \$25,000.

All those who do not win one of the above-named valuable prizes will be paid a cash prize at the rate of \$10 for every \$100 of new subscriptions turned in during the campaign. There will be no limit or failure to those who turn in \$100 or more new subscriptions.

THINK SAVANNAH MAN IN DANGER IN MEXICO

Grave Fears Entertained for Safety of Dr. J. O. Cook, Now at Terra Blanca.

Savannah, Ga., April 25.—(Special.)—Grave fears are entertained for the safety of Dr. John O. Cook, of Savannah, who has for the last three years been the surgeon in charge of a hospital for the United States of Mexico at Terra Blanca in the state of Sinaloa.

Dr. Cook is a son of Mrs. George H. Oliver. She has not heard from him in several weeks, which has increased her uneasiness.

Two Swimming Marks.

Philadelphia, Pa., April 25.—Two records were broken at the interscholastic championship swimming meet here last night. The 100-yard swim was won by Luke, of Lawrenceville, in 11 minutes 4 1/2 seconds, 11 1/2 seconds faster than the record made two years ago by Burryck, Harvard of the Horace Mann school, New York. The 150-yard event in 24 1/2 seconds, 2 1/2 of a second faster than the former record held by Eddie, of the Brooklyn Polytechnic.

REAL ESTATE—For Sale

NORTH ATLANTA SCHOOL HOUSE WITH \$20,000 PLAYGROUND.

It's going to be built. A new brick, eight-grade, up-to-date school house is going to be added to the many other home conveniences in Peachtree Heights Park.

Recognizing that North Atlanta has grown to where a modern public school is essential, the Peachtree Heights Park Co. has decided to give the county free of cost, two acres of its property for school purposes, worth at regular prices \$15,000 to \$20,000.

Then, again—

BATTLE AVENUE WILL BE MADE A 100-FOOT PARKED DRIVEWAY.

Extending through from Peachtree Road at The Lodge, to the Howell Mill road.

Upon the 25-foot parked strip in the center, the Federal Government will place markers, indicating the positions of the troops who fought in the famous Peachtree battle.

It will be the equal of, if not superior to, any driveway in the south.

These are just a few of the leading North Atlanta improvements.

Atlantans who don't know what is going on here, should wake up and find out.

Let us show you Peachtree Heights Park, or see your own agent.

A SNOW BALL HAS AS MUCH SHOW—

IN A FIREY PURNANCE as a poor man has who tries to buy a home on the north side. I mean every word I say. A man who hasn't over \$250 or \$300 in CASH, whose salary is from \$150 to \$150 per month is acting the well, he is using BAD JUDGMENT, to say the least of it, if he is trying to buy a home. I have sold a home for \$1,500. But you need not take my advice unless you want to; it makes no difference with me. Out of 100 homes I have sold at Lakewood Heights for the last few years there were only TWO who fell down with their payments. Sold one this week. I have two more bungalows under way on large lots, just off the car line, and they are not BARNES, but BUNGALOWS; go out and take a look at them; get off at Adair avenue; it will cost you nothing. It might be just what you have been looking for; I don't have to beg anybody to buy my bungalow; there is no use, they sell too fast for that. If you are in earnest and are determined to buy a home that you CAN PAY for, I will be glad to hear from you. Price \$1,500 and \$2,250 (the same kind redwood) \$1,600 for on the north side. Sixteen dollars per month up. Enough and E. R. Hopkins, 316 Empire Bldg. Ivy 5111.

SMALL INVESTMENTS.

NO. 258 VINE ST.—A 6-room house, 30 feet from Marietta street, lot 42x100; a steady income producer; house in good shape; needs no repairs; hot water and sewer; rents \$12.50. Price \$1,515 cash.

DECATUR LOTS—We are selling a few of our lots in Adair's subdivision at Decatur for \$800 each. These lots are near Adams street, on a block from the car line; size 72x138; lots are supplied with water, sewer and tile walks. Terms, one-fourth cash, balance, one, two and three years, 1 per cent. The lots are elevated and in a fine grove.

AN ECONOMICAL LOT—This is a low-price building lot in a good neighborhood; faces East Lake car line, 500 feet east of Whitford avenue; 50x200; elevated; has tile walk to lot. The lot adjoins the pretty bungalow of Whigate. Price \$150 cash.

JONES AVENUE LOT—Near Walnut street. Elevated lot 41x51, with alley in rear, and city water and sewer down; adjoining No. 153 Jones avenue. Price \$100. Terms, \$50 cash and \$10 a month.

NO. 64 W. LINDEN—A good, five-room house on lot 31x130 feet. This has a good speculative value, being very near the north side trading section. Price \$1,500. Terms.

SUBURBAN LOTS

JUST off South Decatur car line, and East Lake drive, in a pretty, pine grove we have a few lots 125x150 feet in size, that we can sell for \$800 each, on easy terms. Water, sewerage and tile sidewalks.

NO. 105 COHEN ST.—A 2-room house near Rockwell and Cunningham streets, in good settlement. Price \$650; terms \$50 cash and \$10 a month.

NO. 280 WALNUT ST.—Here is a 2-room house between Spencer and Thurmond streets; lot is 15x100. Price \$700, for sale on terms of \$100 cash and \$10 a month.

A CORNER NEAR BELLWOOD AVE.—Two lots, each 15x100 feet, lot 21 1/2; a fine renting plant. Price \$1,100 cash.

NO. 188 MARHAM ST.—This is 250 feet from Hayes street, and only a short distance from Terminal station; lot is 15x14 1/2. But is wider in rear; has a 6-room house. Price \$1,150.

A 6-ROOM COTTAGE AT OAKVIEW

\$1,250—A new house, half block from car line at Oakview Station. Lot 100x150 feet. Price \$1,250. Terms, \$250 cash and \$10 a month.

BROOKLINE STREET

\$1,500—A 6-room cottage, near Siew art avenue, within two blocks of the new Franklin school. For sale on very easy terms.

Desirable Building Lots

BETWEEN Stewart avenue and West End, on Brookline, Elbert and Catherine streets, we have several splendid lots 12x200 feet in size. These lots have plenty of shade trees and all possible conveniences, with just enough building restriction to protect the home. In this residential park is a new city school, and it is very convenient to two car lines, being only five minutes' ride to the city. The terms on this property can be made to suit the purchaser. Price, \$200 to \$1,500.

WYLLIE STREET

\$120—THESE are doubtless the only building lots in Atlanta supplied with water, sewer, tiled sidewalks, etc., that are for sale at \$120. The lots are 10 feet wide and 12 feet deep. Easy monthly payments.

Opposite Piedmont Park

BETWEEN Twelfth, Thirteenth and Fourteenth streets on Piedmont avenue, we offer a number of lots 67x225 feet each, ranging in price from \$115 to \$150 per foot. These lots are the only available ones in this section suitable for high-class homes. This property has plenty of shade trees, faces east and beautiful Piedmont park—Atlanta's most valuable park. This park gives a permanent outlook and a view of the city which is doubly valuable for homes. This fact will be appreciated by those who live on the average crowded residence street. We offer 25 lots in this subdivision in Atlanta that is quite as desirable for apartment houses as this. The price on these lots will range from about \$750 to \$15,000.

SOMETHING DIFFER- ENT

MOST PEOPLE who are in a position to own homes, and whose situation is such that they can afford to pick locations, have a tendency to buy sections where their homes will be protected and where individuality is played in the surrounding residences. We offer an unusually nice 6-room bungalow, on lot 50x200 feet, all conveniences, in just such a community.

IN WEST END PARK we have had consigned with us for sale, No. 55 Street avenue, an individual lot of a site that would appeal to almost anybody. We offer an unusually nice 6-room bungalow, on lot 50x200 feet. Price \$1,500.

Weak Lungs Often Lead to Serious Illness

If you have weak lungs and your system is run down, you are more susceptible to serious lung trouble. By the use of Eckman's Alternative, many have been restored to health. Read this case:

215 S. Atlantic, New York, N. Y.

"Gentlemen: In the fall of 1908 I contracted a very severe cold which affected my lungs. At last I began to raise spittle, and my physician then told me to go to California immediately. At this time I was advised to take Eckman's Alternative. I stayed at home and commenced taking it the last week of October. I began to improve and the first week in January, 1909, resumed my regular occupation, having gained 25 pounds, fully restored to health. It is now seven years since my recovery has been effected, and I cannot praise Eckman's Alternative too highly. (Abbreviated.)

Eckman's Alternative is most efficacious in lung affections and upbuilding the system. Contains no harmful or poisonous drugs. Accept no substitutes. Sold by all druggists. Write Eckman's Alternative, Philadelphia, Pa., for booklet of recoveries.

AUSTRIA KEEPS GRIP ON ALL THE YOUNG MEN

Not Allowed to Emigrate Because They Are Wanted for the Army.

Vienna, April 25.—By a simple ministerial decree, without the passage of any new law, or even reference to parliament, the Austrian cabinet has stopped the emigration of youths and men under the age of 34. They will not be permitted to cross the frontier unless they can produce a passport, and the local authorities have received strict instructions to issue such papers only to applicants who can prove that they have performed their military service, including the full term in the reserve, and have been passed into the "landsturm," the last line of reserves for home defense. This really means twelve years of service for the average man.

The decree promises to be even more sweeping in its effects than would at first sight appear. It applies not only to bona fide emigrants leaving their native land for the United States or Canada, possibly intending to remain away for many years, but it will also prevent many thousands of farm laborers from going to Germany for field work and harvest as has been the custom every summer. And further, since the decree makes no mention of any exceptions it is supposed that waiters, tailors, mechanics and other workers who want to go abroad to complete their trade education will no longer be able to do so. For at the age of 21 a man has usually contracted family and business ties which prevent him from leaving his native land. The new regulation apparently has been made because the military authorities recently discovered that when the recruiting levies were called up, that they were not getting the men listed on the rolls had gone to foreign lands to complete their education.

While this sudden and drastic restriction of emigration will effect to some extent the whole monarchy, certain provinces will feel it more acutely than others, notably Galicia, one of the most densely populated lands in Europe, with its large peasant population eking out the barest subsistence on a bare soil. The country was entirely too poor to support this population. Thousands of peasants go to work on the best farms of Saxony and Prussia, and thousands of others go still further afield to America and Canada. But every fall the laborers return to their homes from Germany every year of a few years many also come back from America to their native land. They all bring money with which to buy land, and they are now districts in Galicia where the soil is gradually passing out of the hands of the great landed proprietors into the possession of peasants.

There are other parts of Austria where home conditions are so unfavorable that the people are forced to seek a livelihood elsewhere. In northern Austria and in the Eire mountains there are districts where the utmost poverty

prevails and thousands of young men leave their homes every year to escape that in practically a state of starvation.

The ministerial decree threatens to stop this most necessary outlet for labor and thereby to entail an enormous amount of unnecessary suffering and hardship. Coming just at this time it especially severe when the whole monarchy is groaning under the heavy burden of the recent war crisis.

The social democratic party is exceedingly indignant at what it terms the arbitrary and illegal action of the government in the interest of the agrarians who complain that they are no longer able to get sufficient labor for their farms. The social democrats declare that such procedure is only possible in Austria, whose true constitution is anarchy.

It is stated on the authority of the immigration commissioner at Winnipeg that the 258,855 immigrants who have crossed from the United States to Canada during the last three years have brought with them, in cash and effects, over \$150,000,000. In November, 1912, the immigration into Canada from the United States Kingdom totalled 2,316, while in the corresponding month of 1913 it amounted to only 2,182, and in October, 1912, the number was 10,186, while in the same month of 1913 it dropped to 7,184. The immigration from the United States for November, 1912, was 7,185, while in November, 1913, it was only 5,541.

SPALDING GRAYS READY TO ANSWER WAR CALL

Griffin, Ga., April 25.—(Special.)—Griffin military men, both officers and members of the Spalding Grays, are ready to answer the call for the state military forces in the Mexican revolution. They are, moreover, daily expecting a call to mobilize with the national guard of Georgia, and are already prepared to engage in the maneuvers.

Fixing the Blame.

From The Toledo Blade.

Friends of Secretary Bryan have volunteered the information to the new administration at Washington that President Wilson, and not his right-hand man, originated the administration's foreign policy.

They recite the fact that "two days after the administration came into power President Wilson issued the declaration that only those governments in Latin America would be recognized which were based on the will of the people." He had more to do with our attitude in connection with the controversy with Japan than Secretary Bryan, and indeed the secretary is highly recommended by Mr. Bryan. The president did the deciding and picking, naming. Furthermore, it was the chief of the bureau of the state who devised the policy of "watchful waiting" in the case of our interestingly murderous neighbors over the Mexican border.

But why have the friends of Bryan, who have the friends of Bryan, been so ready to answer the call for the state military forces in the Mexican revolution? It is the friends who are ashamed of the administration's foreign policy and are bringing in the basin and the soap that the secretary may wash his hands of all responsibility?

"UNITED OFFERING"

The "united offering" will be presented at St. Paul's cathedral at 4 o'clock this afternoon at 410 Madison street. This is a thank offering for women's work.

The habes' branch will also be presented at the cathedral at 4 o'clock. The mission offerings, with Dr. Barnwell Dr. Plase, who has been in the South Carolina coast, returned Saturday and will officiate at today's service.

John Hay's Widow Dead.

New York, April 25.—Mrs. Clara Hay, widow of John Hay, the late secretary of state, died here today at 10 o'clock. She was 75 years of age. She was the daughter, Mrs. Payne Whitney.

Here is a scene in Oglethorpe Park, which Edwin P. Ansley is now developing, showing a gang of workmen grading one of the beautiful winding drives of this country residence district. Oglethorpe Park, a part of future Atlanta, is now scarcely more than several hundred acres of woodland lying between the Capital City Country club and the site of Oglethorpe university, but the roar of dynamite under stump and the shout of teamster to straining team all day long presages a development of the character that has made Atlanta believe in Ed Ansley.

A black and white photograph of a large industrial building, likely a sawmill, with a complex system of gears and belts visible on its exterior. The building is surrounded by trees and a grassy area in the foreground.

The top picture is of a handsome apartment house which George W. Farrot is building at Peachtree street and Peachtree circle. The building is of brick and stone construction. It will consist of three stories and a basement. The structure will contain seven apartments. Six of these will contain seven rooms and two baths. The remaining apartment will contain five rooms and one bath. The building will cost in the neighborhood of \$50,000. The interior finish of it will be the same as that of the building at Peachtree street and Peachtree circle. The architect of the building is the architect. The house being built by John D. Babbage, Jr., on Lafayette drive, in Ansley park. This building is of brick veneer construction and will also cost in the neighborhood of \$50,000. A. N. Canton is architect and R. M. Walker is the contractor.

My Good Friends, the Voters of Fulton County

Listen to Reason

I am asking for re-election on my past record and reputation

"If I, as a public servant, have measured up to your expectations and have merited your confidence, I ask you to give me your indorsement by your vote. If you believe I am efficient as an official and my experience is of value to you, then it is within your province to retain me in office. My record is known to you and speaks for itself."

SINCERELY,

A. P. STEWART
